Subject: Employee of the Month

It's with great pride that the Public Works Department nominates Anne Ellig, the City's Program Manager, for Employee of the Month for April, 2019.

On Saturday, March 23, 2019 the City's 7th Annual Water Fest was held in Memorial Park.

With our partners, Students for H2O, the Martin County School Board, and the Humane Society of the Treasure Coast we welcomed several thousand enthusiastic individuals, including some incredible four legged friends to participate in this water and environmental festival where 46 booths were set up to promote environmental stewardship with hands-in interactive activities and demonstrations.

Once again, Anne's efforts elevated this year's Water Fest to the best yet.

Her dedication, collaboration, and coordination of this event is clearly why the City sponsored Water Fest continues to grow each year.

Anne's professional approach and tireless work efforts continue to impress those she comes in contact with.

For these reasons mentioned above, we ask that Anne be recognized as the City of Stuart's Employee of the Month for April, 2019.
