Phone: 772.288.1292 Ext. 1

Date: February, 14, 2020

To: Roz Johnson, Human Resources Director

Subject: Employee of the Month

The Public Works Department is proud to nominate Mike Woodside, Team Leader II at the City's Water Treatment Facility for the City's Employee of the Month for February, 2020.

In 2019, Mike Woodside as the Team Leader for the City's Water Treatment Facility has led a team of highly qualified plant operators in their pursuit of plant operations and maintenance excellence.

For the past thirty years, the Florida Rural Water Association (FRWA) has partnered with the Florida Department of Environmental Protection (FDEP) to bring the most current regulatory information available to utilities at regional Focus on Change Seminars.

At these regional events, the Florida Department of Environmental Protection announces the winners of the Outstanding Plant Operations Excellence Awards.

At this year's event the City of Stuart was recognized as the 2019 Medium Community Water System Outstanding Plant Excellence Award.

This recognition, along with the designation of having the best tasting drinking water, a sanitary survey with no noted deficiencies, and the success of the per-fluorinated pre-treatment system, makes the Water Treatment Team stand out among its peers and regulatory agencies.

Mike, as the Water Treatment Facility Team Leader was instrumental in this success and recognition and for these reasons mentioned above, we ask that Mike be recognized as the City of Stuart's Employee of the Month for February, 2020.
