MEMORANDUM

TO: City of Stuart Community Redevelopment Agency Board
FR: Nancy K. Turrell, Executive Director
RE:
DT: Apirl 23, 2020

Per our agreement, the proposal for the Seminole Street LLC (Riverhouse) has been reviewed.

In the opinion of our reviewers, the proposed Geoffrey Smith sculpture meets all the requirements of the City of Stuart's public art guidelines. The placement selected by the developers provides adequate visibility and as noted in the drawings the scale is appropriate for the location along Seminole Street.

The selection of a local artist with an international reputation meets with the guidelines of the program and further emphasizes the vibrant arts community that is fostered in our community. This work joins with a plethora of other Georffrey Smith sculptures that can be found in public and private settings throughout our community. His work reflects our natural diversity and wildlife.

Supported in part by State of Florida-Division of Cultural Affairs, The National Endowment for the Arts, Martin County Board of County Commissioners, City of Stuart & private contributions.
