Subject: Employee of the Month

The Public Works Department is once again proud to nominate a member of our Department as the City's Employee of the Month for May, 2020.

As you may be aware, the Vehicle Maintenance Team Leader has been on Family Medical Leave since November 16, 2019. During this time, Kenny Miller, a Diesel Gas Mechanic, has stepped up and been acting in a higher capacity, while maintaining his duties as a Diesel Gas Mechanic.

Kenny's work ethic and technical skills has ensured the vehicle and equipment maintenance schedules, as well as routine repairs have met the needs of other City Departments.

In addition, he has been tasked with inventory control, a major software conversion, and budgetary controls.

His quite reassuring demeanor has stabilized the functions within the Vehicle Maintenance Team.

Always willing to accept new challenges, Kenny exemplifies the City's values by treating others with dignity and respect.

For the reasons mentioned above, we respectfully nominate Mr. Miller as the City's Employee od the Month for May, 2020.
