Zoning/CRA Sub-district: City of Stuart CRA R-1 Zoned	
Subdivision:	Lot(s): 1,2,3,10,11 & 12

Submittal Requirements: A completed application form, the payment of fees, one (1) copy of all documents on a PDF formatted disc electronically signed and sealed, and a site plan. (Note: A concept plan may, at the discretion of the applicant, be submitted instead of a site plan. However, in doing so the applicant acknowledges that a site plan will need to be submitted for City Commission approval prior to making application for a development permit). The data requirements for a site plan and a concept plan are available at the Development Department. **Note:** An application for a Conditional Use Permit may not be filed if the City Commission has denied an application for a Conditional Use Permit for the subject property within the previous two years.

The applicant has the burden of proof to demonstrate to the City Commission that the following standards are met:

- The proposed use is not contrary to the established land uses in the immediate area;
- The proposed use would not significantly depart from the densities or intensities of use in the surrounding area and thereby increase or overtax the load on public facilities such as schools, utilities, and streets and other public infrastructure;
- The proposed use will not be contrary to the proposed land use plan and will not have an adverse effect on the goals, policies and objectives of the Comprehensive Plan;
- The existing district boundaries are illogically drawn in relation to existing conditions on the property proposed for change;
- The proposed use will not create or excessively increase traffic congestion or otherwise affect Public Safety;
- The proposed use will not create drainage or a storm water quality problem;
- The proposed use will not significantly reduce light or air to adjacent areas;
- The proposed use is less burdensome on neighboring properties and on public infrastructure than uses permitted by right in the district;
- The proposed use is not out of scale with the uses permitted by right in the district and with the existing uses in the neighborhood; and
- There are no other adequate sites for the proposed use in districts in which the proposed use is permitted by right within the City.
