

## Letter in Support of Costco on Kanner Highway in Stuart, Florida

April 8, 2021

Dear City of Stuart Board of Commissioners,

I, along with my friends and neighbors, ask you to please approve the plans for Costco along with the proposed additional stores and housing on Kanner Highway.

The vast majority of Treasure Coast residents have been waiting for years for this to happen. We were sorely disappointed when the previous Costco plan for Palm City was withdrawn. But this current plan is better for Stuart residents and those in the surrounding areas.

I am confident that 99% of all Stuart and Martin County residents are strongly in favor of the current full Costco proposal and will be overjoyed if it is approved. It is only a small but very vocal minority who are trying to sway the city commissioners to vote no on this hugely popular plan.

Voting YES on the Costco plan will be a big win for all the residents of the City of Stuart, Martin County and all others within range of this phenomenal store with all of its premium products and services. And the 400 housing units will be a big plus for all the people who will appreciate more housing opportunities in Stuart.

In addition, all the current loyal Costco shoppers who now shop at other Costco locations far from Stuart will be able to spend their Costco dollars in Stuart, directly benefiting the City of Stuart!!!

Thank You for voting YES for the COSTCO PLAN!!!!

Enthusiastically Yours,

HOBE SOUND RESIDENTS

Hi

We are in favor of the proposed Costco on Kanner Hwy and reside in Riverland.

Can u let me know will access be a right in right out only from Kanner or will there be a widening of median and break to to allow for left turn lanes onto Kanner. Will there be a decal lane on Kanner and what is the access limited to onto Willoughby.

Will Costco own the land or will they be leasing?

Lastly what is the estimated let date and how long of a construction time.

Thanks Mike Rubio
