Inez/ Scott:

Matt and I met with two Commissioners this morning (individually obviously) with Terry O'Neil (planning director present at one of them). Terry asked that we provide him with a comprehensive package of our community support so that can be assured they have it all included within the staff report – in other words they don't miss something.

I have the list (below) from Scott. Maybe we would use the list (update Nov 9<sup>th</sup>, ADD any that have been done since, and highlight (color) any of the organizations that have provided formal letters/petitions of support)? Then also attach those letters/petitions of support to this list and provide to City. Not in email but just in a printed form without any letterhead – just as convenience for staff to know they have it all.

- Sept. 19: MHS met with Stuart Main Street Board of Directors to discuss our proposal.
- Sept. 20: MHS met with the Stuart/Martin County Chamber of Commerce Local Government Affairs Committee to discuss our proposal.
- Sept. 28: Rob Lord attended Mornings on Main Street to discuss the proposal and answer any questions.
- Oct. 4: MHS met with community leaders from East Stuart. MHS presented information regarding our proposal, which received tremendous support from the leaders of the community.
- Oct. 5: MHS community outreach meeting which drew nearly 40 people – an invite was mailed to all city of Stuart residents. MHS presented information regarding our initial proposal and listened to feedback from Stuart residents.
- Oct. 11: Rob Lord attended the Business Development Board of Martin County

to update the organization on our proposal and listen to feedback.

- Oct. 12: Rob Lord spoke at a Hobe Sound Chamber of Commerce meeting, including plans for Martin Medical Center. The meeting elicited strong support from attendees, who realized the need for continued access to high-quality care in Martin County throughout the future.
- Oct. 18: An article by TCPalm columnist Gil Smart supporting MHS's proposal was published, following conversation with Rob Lord.
- Oct. 25: Rob Lord scheduled to speak with (Stuart) Downtown Business Association board members
- Nov. 9: The second scheduled public meeting will be hosted by MHS.
