Book: Silent Messages

"The human body in all its aspects is my main source of inspiration. In it I see the incredible beauty and perfection of creation as well as the authentic reflection of our human condition."

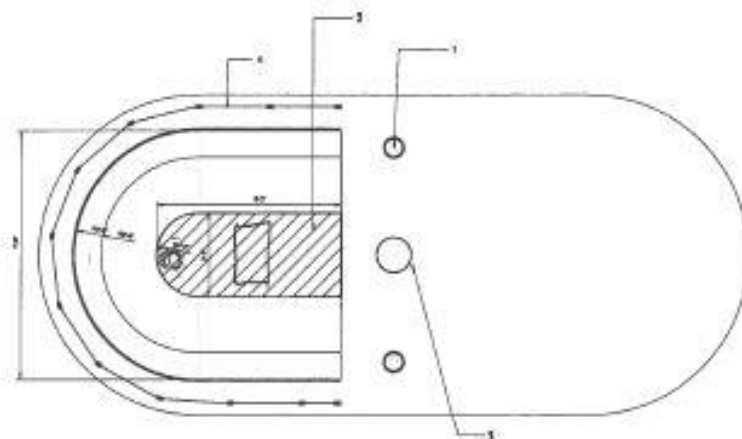

***"Individual uniqueness
inspires me."*** – Eduardo Gomez

Telling stories with clay, bronze and his inner voice. Sculptor Eduardo Gomez Rojas is guided by a sense of empathy with others. Eduardo is a sculptor who has the ability to capture what he sees and is able to reach into the soul of his subject, sculpting each person as if he had known them for years... and in the process, creating a legacy for future generations.
