Subject: Advisory board openings

Good afternoon Commissioners,

Since Commissioners are assigned as a liaison for certain advisory board positions to make sure someone is recommended to fill the position but nobody is specifically assigned to the “at large” advisory positions, staff wants to help and so we reached out to the current at large people to see if they are interested in serving another term. We made it clear that just because they are interested does not necessarily mean the Commission will re-appoint them; however, we will forward their name to the commission for consideration.

The following people were contacted or at least we attempted contact:

- Pete Walson – (CRB/CRA) Agreed to renew his term on both the CRA and the CRB
- Ryan Strom – (LPA) Agreed to renew his term
- Larry Massing – (LPA) Agreed to renew his term
- Frank Wacha – (CRB) Would like to refer Nik Schroth, but if he is not interested will stay (we have not reached out to Nik but I have a meeting with him tomorrow on another matter so I’ll ask)
- Helen McBride – (SIRB) Agreed to renew her TERM
- Polly Campenni – (SIRB) **Agreed to renew her TERM**
- Dee Diane Gusch – (SIRB) **Agreed to renew her TERM**

We hope this is helpful for you as you consider who to appoint to these upcoming vacancies.
