* * * * *

WHEREAS, the City Commission held a properly noticed hearing at a regularly scheduled City Commission to consider the application by Jesse Houghtalen, for a 11.34 acre parcel of land located on the east side of US Highway One, west of the Windemere RPUD, and south of the Pineapple Commons; and

WHEREAS, the City of Stuart has determined the need to change the Future Land Use and Land Development zoning district for said lands; and

WHEREAS, the City Commission, has considered the Petitioner's voluntary request for land use designations, a refresh of the existing RPUD, and has also considered the recommendation of the City staff.

WHEREAS, the Applicant has committed to the City that its development will comply with all development codes, plans, standards and conditions approved by the City Commission; and that it will bind its successors in title to any such commitments made upon approval of the refreshed RPUD; and

WHEREAS, at the hearing the applicant showed by substantial competent evidence that the application is consistent with the Stuart Comprehensive Plan, and the Land Development Code of the City, and with the procedural requirements of law; and

WHEREAS, the RPUD development will be in harmony with surrounding properties and their anticipated development;

WHEREAS, the foregoing recitals are true and adopted as findings of fact and conclusions of law.

WHEREAS, the property is legally described in **"Exhibit A"** of this ordinance. A map depicting the property is attached hereto as **Exhibit "B"** and made a part hereof by reference; and development conditions including a timetable for construction of amenities attached hereto as **Exhibit "C";**

NOW THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF STUART, FLORIDA THAT:

SECTION 1: The following new documents are on file as public records of the City, at the office of the City Clerk in City Hall, and attached hereto as **Exhibit "D"**, hereinafter the "Development Documents", shall be deemed a part of the development conditions, and shall supplement any earlier approvals:

a. **The Site Plan, Sheet SP1, prepared by Bowman Consulting, dated 09.26.18.**
b. **The ALTA/NSPS Land Title Survey – Watermark Apartments, by Bowman Consulting, Inc, dated 06.13.18**

2. The Watermark Apartments RPUD project and use thereof shall comply with the following drawings:

a. The Site Plan, Sheet SP1, prepared by Bowman Consulting, dated 09.26.18.

b. The ALTA/NSPS Land Title Survey – Watermark Apartments, by Bowman Consulting, Inc, dated 06.13.18

c. The Landscape Plans, Sheet CV, LA-1 thru LA-10, prepared by Lucido & Associates, dated 10.08.18

d. Architectural Floor Plans and Elevations, by Lucido and Associates, dated 10.12.18

e. Preserve Area Management Plan to be provided prior to second reading

3. Any modifications to the Master RPUD Site Plan that exceeds 10% of the approved building footprint, building setbacks, gross square footage, building location, parking size, location and number of parking, drainage areas, and location of landscaping may be approved by the City's Development Director, provided however, the Development Director may refer the matter to the City Commission for approval via a public hearing.

4. Development of the Subject Property as a RPUD shall include an impervious area of no more than (80%) impervious coverage for the RPUD. The maximum building height within the RPUD shall be 4 stories or 42'7". Height shall be measured from the lowest permissible finished first floor elevation to the surface of a flat roof and to the eave of a pitched roof.

5. Notwithstanding any presence of premium parking consisting of carports/garages, at no time shall any parking space be deemed unavailable for use due to an absence of a lease agreement for the use of said space.

6. Garages shall not be used for storage to the exclusion of a vehicle.

7. Prior to certificate of occupancy of the last building, the applicant shall provide an engineer's written confirmation attesting that the RPUD's storm water system is in place and functioning in compliance with all approved plans and specifications.

8. Erosion and dust control measures to be implemented during construction shall be provided on the civil plans and submitted during site permit review. Water trucks shall be provided by the applicant as necessary during construction in order to reduce dust generated on-site.

Landscaping

9. The common areas including the projects cabana and pool area shall be provided with landscaping with an irrigation system of sufficient capacity to maintain the landscaping in a healthy growing condition.

10. The City's landscape inspector shall have the opportunity to inspect all trees and/or landscape material with the landscape architect prior to installation. The developer shall bear the pass-thru fee for landscape consulting fees not to exceed $1,500.00.

11. A Landscape maintenance plan, executed in accordance with the Land Development Regulations, shall be submitted to the Development Department and approved prior to the issuance of a certificate of occupancy.

Required Open Space and Native Preserve Area

12. Open Space. Not less than 33% of the RPUD shall be open space as depicted on the Site Plan by Bowman Consulting as described in Exhibit C. Required open space may

include native vegetation areas and landscape buffers between the CPUD and adjacent property; however, other required landscaping shall not count towards the open space requirement.

13. Excluding wetlands defined by the South Florida Water Management District, not less than 20% of the total development site shall remain as undeveloped and recreated native vegetation area. The required native vegetation area may include open space areas and the landscape buffer between the site and adjacent property; however, other required landscaping shall not count towards the native vegetation requirement. The location of the native vegetation shall comply with the project's landscape plan, by Lucido and Associates. The project shall adhere to the Preserve area mitigation and monitoring plan (to be prepared prior to second reading). The owner and developer shall adhere to the provisions of the Wetland Maintenance and Monitoring Plan and permanent maintenance will be the responsibility of the HOA.

Tree Mitigation

14. The project shall comply with Section 5.05.02 of the "Tree replacement and protection requirements" of the City's Land Development Code.

Prior to Issuance of Site Permits

15. Applicant shall provide a digital boundary survey and civil plan prior to the issuance of a site permit.

16. Civil Plans shall be reviewed and approved by all applicable City departments prior to the issuance of a site permit.

17. All regulatory agency permits, including but not limited to the South Florida Water Management District and Army Corp of Engineers, shall be obtained by the applicant and copies provided to the City prior to the commencement of any development activities.

18. All development activities shall comply with the City's Concurrency Management System prior to the issuance of building permits.

Development and Construction

19. The Developer shall construct the project's infrastructure in one phase and is required to control the sales of lots in blocks and will create a lot sales and construction plan which shall be provided to the City's Development Department for review and approval prior to application for the first building permit.

20. The Developer shall install landscaping (and gate if proposed) at the development's entry as shown on the landscaping plan prior to the first certificate of occupancy for a residential unit. The entry gate (if applicable) shall be made operational prior to issuance of a certificate of occupancy.

21. The property owner shall provide easements for licensed television services. Preserve area easements shall be dedicated to state agencies with the City of Stuart having the option to have those same easements.

22. In the event of any conflict in the provisions of Exhibit 'C' Development Conditions and attached exhibits, Exhibit 'C' shall prevail.

23. Prior to certificate of occupancy of the last building, the applicant shall provide an engineer's written confirmation attesting that the RPUD's storm water system is in place and functioning in compliance with all approved plans and specifications.

24. Erosion and dust control measures to be implemented during construction shall be provided on the civil plans and submitted during site permit review. Water trucks shall be provided by the applicant as necessary during construction in order to reduce dust generated on-site.

25. All utility improvements constructed by the developer within Florida's Department of Transportation's right-of-way, shall be constructed in a manner and form acceptable to

the FDOT. The developer shall grant any such utility easements necessary for this site as may be required by the FDOT.

26. The projects turn lanes as described on the project's Master Site plan shall be completed before the first building permit is issued.
