A Major Planned Unit Development Amendment is one which shall include any one of the following;

1. A change of two (2) percent or more in the area of any land use designations shown on the site plan;
2. Any change in the list of proposed uses;
3. An increase in residential density of five (5) percent or more;
4. An increase in nonresidential Building square footage of ten (10) percent or more;
5. A change in the boundary of the PUD district;
6. A change in the site plan or approval regarding any area(s) set aside and designated for future development;
7. Any other change determined by the City Development Director to have a potentially significant impact on City services or the surrounding neighborhood;
8. An amendment of greater than twelve (12) months to an originally approved timetable of development. Such an amendment may only be approved upon good cause shown to the City Commission. Any contributions conditioned as part of the original PUD agreement shall be revisited upon application for timetable extension. A timetable extension greater than twelve (12) months will require a full concurrency review.

*(A Minor Planned Unit Development Amendment is any amendment that is not a major amendment.)*

**Submittal Requirements:** A completed application form, the payment of fees, a site plan, one (1) copy of all documents on a PDF formatted disc electronically signed and sealed, and any other information as may be required by the City Development Director in order to do a thorough review of the request. (Note: A concept plan may, at the discretion of the applicant, be submitted instead of a site plan if a site plan has not previously been approved. However, in doing so the applicant acknowledges that a site plan will need to be submitted for City Commission approval prior to making application for a development permit.) *(The data requirements for a site plan and a concept plan are available at the Development Department)*

**Approving Authority:** The Development Director is required to prepare a staff report and recommendation concerning this application. For a Major PUD amendment, the Local Planning Agency (LPA) is required to hold an advertised public hearing and formulate a recommendation to the City Commission. For both types of applications, the City Commission is required to hold an advertised public hearing after which it may approve, approve with conditions, or deny the application.

**Justification:** Written justification supporting the application and demonstrating how the application remains: (a) consistent with the relevant components of the City of Stuart Comprehensive Plan including concurrency with adopted levels-of-service for utilities/facilities and compatibility with existing/planned uses and (b) complies with the relevant development standards of the City of Stuart Land Development Code.
