PALM CITY ROAD UPDATE

January 14, 2019

OCTOBER 22, 2018
COMMISSION MEETING

- Presentation on the traffic history of Palm City Road
- Motion: Move that we ask staff to look into extending and connecting what sidewalk options we could have around Palm City Road
- Motion passed unanimously

EXISTING SIDEWALKS

- Continuous 5’ wide sidewalk on east side of Palm City Road, from Monterey Road to US-1
- No sidewalk on the west side of Palm City Road, from Publix to Marine Max (approximately 1 mile in length)

EAST SIDE SIDEWALK ASSESSMENT

- Several sections exhibited extensive cracking

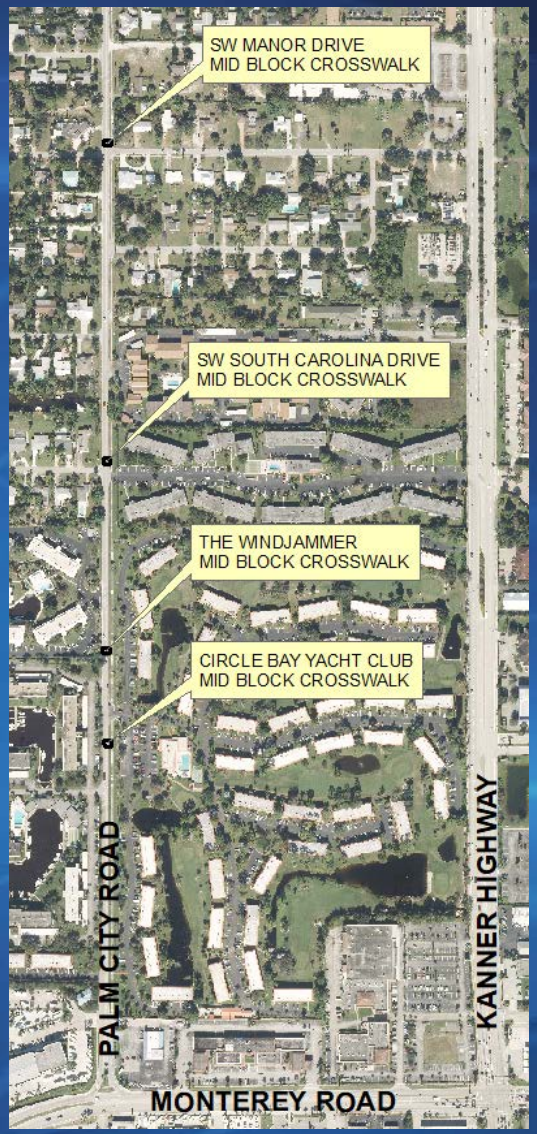

WEST SIDE SIDEWALK

ISSUES:

- Relocation of existing utilities (FPL, fire hydrants)
- Relocation of existing landscaping
- Drainage impacts
- Lack of ROW at south end

RAISED PEDESTRIAN CROSSWALKS

COST:

- $95,000.00

CONSIDERATIONS:

- Traffic calming device
- Modification to existing asphalt, sidewalks, signage, & striping
- Drainage impacts

QUESTIONS

THANK YOU
