Re: US-1 at SW Joan Jefferson Way Planning Study
FPID No.: 438354-2-22-01

Dear Mr. O'Reilly:

Thank you to the Florida Department of Transportation (FDOT) staff that presented the US-1/SW Joan Jefferson Way Planning Study at the Martin MPO Policy Board meeting on September 17, 2018. The MPO Board unanimously approved Build Alternative #1 which reflects the MPO's Priority of extending the US-1 southbound left-turn storage at the SW Joan Jefferson Way intersection. In addition, the MPO Board requested that the same presentation be made at a City of Stuart Commission meeting, as this study addresses alternatives that would significantly impact the transportation network in Downtown Stuart.

Thank you for your understanding of this request and if you have any questions, please do not hesitate to contact Beth Beltran at (772) 288-5484 or bbeltran@martin.fl.us .

Sincerely,

Vinny Barile
