COMMENTS BY CITY COMMISSIONERS

COMMENTS BY CITY MANAGER

APPROVAL OF AGENDA

COMMENTS FROM THE PUBLIC (5 min. max)

WHAT IS CIVILITY?: Civility is caring about one's identity, needs and beliefs without degrading someone else's in the process. Civility is more than merely being polite. Civility requires staying "present" even with those persons with whom we have deep-rooted and perhaps strong disagreements. It is about constantly being open to hear, learn, teach and change. It seeks common ground as a beginning point for dialogue. It is patience, grace, and strength of character. Civility is practiced in our City Hall. PUBLIC COMMENT: If a member of the public wishes to comment upon ANY subject matter, including quasi-judicial matters, please submit a Request to Speak form. These forms are available in the back of the Commission Chambers, and should be given to the City Clerk prior to introduction of the item number you would like to address.

QUASI-JUDICIAL HEARINGS: Some of the matters on the Agenda may be "quasi-judicial" in nature. City Commissioners will disclose all ex-parte communications, and may be subject to voir dire by any interested party regarding those communications. All witnesses testifying will be "sworn" prior to their testimony. However, the public is permitted to comment without being sworn. Unsworn testimony will be given appropriate weight and credibility by the City Commission.

CONSENT CALENDAR: Those matters included under the Consent Calendar are self-explanatory, non-controversial, and are not expected to require review or discussion. All items will be enacted by one motion. If discussion on an item is desired by any City Commissioner that item may be removed by a City Commissioner from the Consent Calendar and considered separately. If an item is quasi-judicial it may be removed by a Commissioner or any member of the public from

CITY OF STUART, FLORIDA AGENDA ITEM REQUEST CITY COMMISSION

Meeting Date:4/10/2017 Prepared by: Michael Mortell

Title of Item:

RESOLUTION No. 44-2017; Review and/or approval of a draft Northpoint Property Request for Developer Qualifications (RFDQ).

<u>Summary Explanation/Background Information on Agenda Request:</u>

At its meeting of May 23, 2016, after lengthy staff-level negotiations, the City Commission granted Northpoint Ventures, LLC an additional thirty (30) days to comply with Resolution No. 46-2014 authorizing contract negotiations to develop a hotel and restaurant on the Northpoint Property.

Also at the May 23rd meeting, the City Commission directed staff to prepare a "Request for Developer Qualifications" (RFDQ) for the Northpoint Property and to bring it forward for consideration as soon as possible. The RFDQ was published for the limited purpose of a long term land lease and did not result in any compliant responses. After further discussion, the RFDQ has been amended to include the possible sale of the property after approval by referendum.

Note: The RFDQ is in draft form and will require minor corrections before publication.

CITY MANAGER'S NOTE: We are hopeful that by changing the RFQ from "Lease" to "Lease or Sale" we will attract someone to develop this property. It will come with the caveat that it will have to go to Referendum, unless the proposal is to build a boat barn as approved prior to the referendum requirement, or as amended to allow for a hotel and restaurant.

SECTION 1: GENERAL SITE INFORMATION

Located in the heart of Stuart's vibrant Community Redevelopment Area (CRA) (see Exhibit "B"), the subject 2.65-acre vacant waterfront property, known as the "North Point Property," was acquired (and assembled) by the City of Stuart in the early 2000's through land transfers from the Florida Department of Transportation (FDOT) and through direct purchase of land by the City's CRA. Fronting Dixie Highway, the property on offer includes a 5,200 square foot concrete platform over the St. Lucie River – an abandoned remnant of the Old Roosevelt Bridge -- which is a suitable for open air use or for a structure. (See Exhibit H). A 22,540 sq. ft. active FDEP submerged land lease is also attached to the site. A portion of the site's north end is leased from the FDOT by the City at no cost, providing the land is used for no-cost public parking (See Exhibit G). Conversion to a paid lease to allow for private parking may be possible. City water and sewer services are immediately available to the site.

A part of the City's Transportation Concurrency Exemption Area (TCEA), the site is zoned "Urban Waterfront" (UW) under the City's award-winning Urban Code and has a Comprehensive Plan land use designation of "Downtown Redevelopment". The site allows for a wide range of uses, including multi-family residential (up to 30 units per acre under Conditional Use Approval), office, retail, hotels and restaurants, all of which may be horizontally or vertically integrated within a maximum building height of 45 feet and four stories. A link to the City's Land Development Code may be found at:

SECTION 2: ABOUT DOWNTOWN STUART

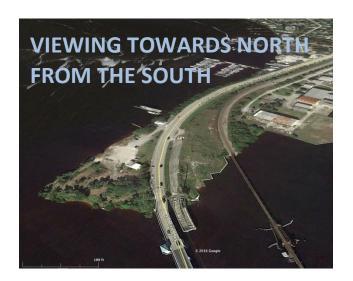

A virtual ghost town in the mid 1980's, today downtown Stuart is thriving. What brought about this transformation? The answers lie in several key decisions made by early champions of redevelopment. Among these were: creating the Stuart CRA, including Tax Increment Financing (TIF), aggressively pursuing CDBG and other grants, doing battle with FDOT over the design of the new high-span Roosevelt Bridge to prevent the downtown from becoming a noman's-land; and adopting an innovative "Urban Code" to enhance development potential and boost property values.

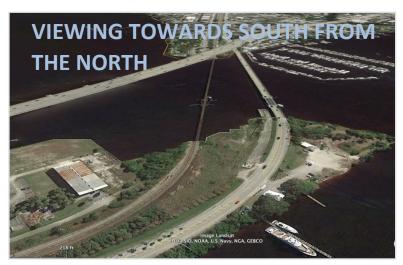

Also key has been the community's willingness to invest in public infrastructure. A few examples include the Stuart Feed Store Property, Shepard Park Fish Walk & River Walk System, Cultural Courthouse Center & Bandstand Park, Flagler Center & Park Restoration, City Anchorage and Marina, Memorial Park Restoration and most recently the Colorado Avenue streetscape project. Through grants and local sources, tens of millions of dollars have been invested.

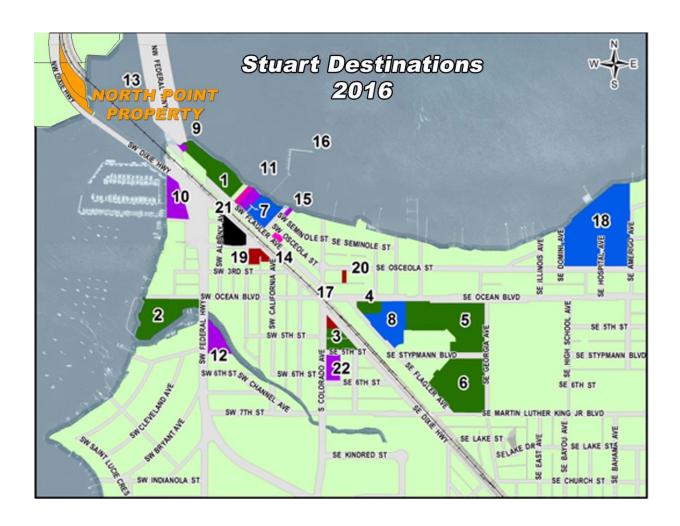

This strong commitment to redevelopment continues with the City's current efforts to secure an experienced developer for the Property. The following exhibits are provided as an aid to potential respondents to help them understand the character of downtown Stuart. Respondents are encouraged to reflect this understanding in their submittals.

SECTION 3: CITY'S OBJECTIVES

The City is not an ordinary lessor/seller. The property's ultimate use must take into account the expectations of multiple constituencies, while at the same time adhering to Florida law regarding the disposal of property within a Community Redevelopment Area (CRA). (See Exhibit "C"). Purchase price or lease rate is only one of several factors. The City's overall goal is to secure a robust post-development Tax Increment Financing (TIF) Trust Fund revenues. The successful respondent will be required to obtain authority from the voters via referendum in the event it seeks to purchase the property or in the alternative assume an existing 45-year lease (with a 45 year renewal option) entered into in 2007, amendments to which will be required to accommodate a revised development plan and other lease terms. A copy of the existing lease may be requested from the Procurement and Contracting Services Division, purchasing@ci.stuart.fl.us.

Further, in reflecting the essential character of Stuart, the proposed use must be a good fit for the downtown and measurably advance the City's redevelopment objectives as set forth in its CRA Plan, please see link at:

http://www.cityofstuart.us/index.php/cra-plan

Of equal weight is the potential developer's track record of success in delivering similar projects. A clear demonstration of the project's financial strength is essential, as are commitments to superior site design, architecture and quality of public spaces. Job creation, robust economic activity, and, as mentioned, healthy financial returns to the TIF Trust Fund, are vitally important. Project linkages to downtown Stuart and the wider CRA area, including the City's waterfront, are essential considerations as well. It is anticipated that the proposed project will act as a catalyst for further redevelopment activities on nearby sites.

TAKEAWAYS

- City seeks reasonable return on its investment and robust TIF revenues
- ❖ Developer's track record of success is vitally important
- ❖ Project must advance the City's CRA Plan and reflect the downtown's character
- ***** Focus on superior design
- Project to act as catalyst for other development
- Consistency with Florida Statute Chapter 163

SECTION 4: PROMOTING SUCCESSFUL NEGOTIATIONS

Upon selection of the top ranked respondent, as permitted by Florida Statutes section 288.075, the City will, if requested, observe confidentiality during an exclusive negotiation period of up to (90) ninety days, during which specific components of a potential *Development Program* will be determined. See Exhibit "E" attached for confidentiality documents. Assuming a superior development scheme can be reached, the City will strongly consider development via its Urban Code Conditional Use Approval (UCCUA) process which allows for greater design flexibility, residential density and commercial floor space. Exhibit "F" attached, which depicts an earlier approved site plan for an in-out boat storage facility and restaurant, is provided as an illustration of site dimensions only and is not intended to significantly influence a respondent's own design concepts. Under the City's economic development incentives program, fast track development approval, inside of (3) three months, can be accomplished (this does not include the referendum procedure). Site and building plan reviews average 7-10 days. Both application types can be processed simultaneously.

In sum, the successful respondent's steps to development are: (1) Successfully negotiate assumption of existing lease, including amendments to the development plan, rental terms and timetable for development or negoatiate a fair

purchase price contingent upon referendum approval, (2) obtaining site plan approval through the City's Urban Code Conditional Use Approval process, which involves one public hearing before the Community Redevelopment (advisory) Board (CRB) and one public hearing before the Stuart City Commission, and (3) obtaining a site plan permit and an (architectural) building permit from the City Development Department

TAKEAWAYS

- **Exclusive**, confidential negotiations
- ❖ Design and use flexibility through Urban Code Conditional UseApproval
- ❖ City willing to pursue economic development grants if applicable
- ❖ Fast track development approval

- 163.380 Disposal of property in community redevelopment area.—The disposal of property in a community redevelopment area which is acquired by eminent domain is subject to the limitations set forth in s. 73.013.
- (1) Any county, municipality, or community redevelopment agency may sell, lease, dispose of, or otherwise transfer real property or any interest therein acquired by it for community redevelopment in a community redevelopment area to any private person, or may retain such property for public use, and may enter into contracts with respect thereto for residential, recreational, commercial, industrial, educational, or other uses, in accordance with the community redevelopment plan, subject to such covenants, conditions, and restrictions, including covenants running with the land, as it deems necessary or desirable to assist in preventing the development or spread of future slums or blighted areas or to otherwise carry out the purposes of this part. However, such sale, lease, other transfer, or retention, and any agreement relating thereto, may be made only after the approval of the community redevelopment plan by the governing body. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the community redevelopment plan and may be obligated to comply with such other requirements as the county, municipality, or community redevelopment agency may determine to be in the public interest, including the obligation to begin any improvements on such real property required by the community redevelopment plan within a reasonable time.
- (2) Such real property or interest shall be sold, leased, otherwise transferred, or retained at a value determined to be in the public interest for uses in accordance with the community redevelopment plan and in accordance with such reasonable disposal procedures as any county, municipality, or community redevelopment agency may prescribe. In determining the value of real property as being in the public interest for uses in accordance with the community redevelopment plan, the county, municipality, or community redevelopment agency shall take into account and give consideration to the long-term benefits to be achieved by the county, municipality, or community redevelopment agency resulting from incurring short-term losses or costs in the disposal of such real property; the uses provided in such plan; the restrictions upon, and the covenants, conditions, and obligations assumed by, the purchaser or lessee or by the county, municipality, or community redevelopment agency retaining the property; and the objectives of such plan for the prevention of the recurrence of slum or blighted areas. In the event the value of such real property being disposed of is for less than the fair value, such disposition shall require the approval of the governing body, which approval may only be given following a duly noticed public hearing. The county, municipality, or community redevelopment agency may provide in any instrument of conveyance to a private purchaser or lessee that such purchaser or lessee is without power to sell, lease, or otherwise transfer the real property without the prior written consent of the county, municipality, or community redevelopment agency until the purchaser or lessee has completed the construction of any or all improvements which he or she has obligated himself or herself to construct thereon. Real property acquired by the county, municipality, or community redevelopment agency which, in accordance with the provisions of the community redevelopment plan, is to be transferred shall be transferred as rapidly as feasible in the public interest, consistent with the carrying out of the provisions of the community redevelopment plan. Any contract for such transfer and the community redevelopment plan, or such part or parts of such contract or plan as the county, municipality, or community redevelopment agency may determine, may be recorded in the land records of the clerk of the circuit court in such manner as to afford actual or constructive notice thereof.
- (3)(a) Prior to disposition of any real property or interest therein in a community redevelopment area, any county, municipality, or community redevelopment agency shall give public notice of such disposition by publication in a newspaper having a general circulation in the community, at least 30 days prior to the execution of any contract to sell, lease, or otherwise transfer real property and, prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, invite proposals from, and make all pertinent information available to, private redevelopers or any persons interested in undertaking to redevelop or rehabilitate a community redevelopment area or any part thereof. Such notice shall identify the area or portion thereof and shall state that proposals must be made by those interested within 30 days after the date of publication of the notice and that such further information as is available may be obtained at such office as is designated in the notice. The county, municipality, or community redevelopment agency shall consider all such redevelopment or rehabilitation proposals and the financial and legal ability of the persons making such proposals to carry them out; and the county, municipality, or community redevelopment agency may negotiate with any persons for proposals for the purchase, lease, or other transfer of any real property acquired by it in the community redevelopment area. The county, municipality, or community redevelopment agency may accept such proposal as it deems to be in the public interest and in furtherance of the purposes of this part. Except in the case of a governing body acting as the agency, as provided in s. 163.357, a notification of intention to accept such proposal must be filed with the governing body not less than 30 days prior to any such acceptance. Thereafter, the county, municipality, or community redevelopment agency may execute such contract in accordance with the provisions of subsection (1) and deliver deeds, leases, and other instruments and take all steps necessary to effectuate such contract.
- (b) Any county, municipality, or community redevelopment agency that, pursuant to the provisions of this section, has disposed of a real property project with a land area in excess of 20 acres may acquire an expanded area that is immediately adjacent to the original project and less than 35 percent of the land area of the original project, by purchase as provided in this chapter, and negotiate a disposition of such expanded area directly with the person who acquired the original project without complying with

the disposition procedures established in paragraph (a), provided the county, municipality, or community redevelopment agency adopts a resolution making the following findings:

- 1. It is in the public interest to expand such real property project to an immediately adjacent area.
- 2. The expanded area is less than 35 percent of the land area of the original project.
- 3. The expanded area is entirely within the boundary of the community redevelopment area.
- (4) Any county, municipality, or community redevelopment agency may temporarily operate and maintain real property acquired by it in a community redevelopment area for or in connection with a community redevelopment plan pending the disposition of the property as authorized in this part, without regard to the provisions of subsection (1), for such uses and purposes as may be deemed desirable, even though not in conformity with the community redevelopment plan.
- (5) If any conflict exists between the provisions of this section and s. $\underline{159.61}$, the provisions of this section govern and supersede those of s. $\underline{159.61}$.
- (6) Notwithstanding any provision of this section, if a community redevelopment area is established by the governing body for the redevelopment of property located on a closed military base within the governing body's boundaries, the procedures for disposition of real property within that community redevelopment area shall be prescribed by the governing body, and compliance with the other provisions of this section shall not be required prior to the disposal of real property.

The Lessee fully accepts the Leased Property in its present "as is, where as" physical state and condition subject, however, to the terms of Articles 14.2 and 14.3.
- Lessor agrees to eliminate all of the following items, if any, that are known to Lessor, or, if not known to Lessor, as are identified in writing by Lessee prior to the Lease Commencement Date:

- GENERAL OBLIGATIONS OF THE PARTIES. The following constitute obligations and covenants of the parties, their successors and assigns:
- Lessee shall keep and maintain all Leasehold Improvements and Existing Improvements on the Leased Property in compliance with all governmental laws and requirements. Lessee shall have the right, at its or their own cost, to contest by appropriate legal proceedings, diligently conducted, the validity or applicability of complying with such laws or requirements. In the event of a breach of any of the provisions of this Lease, the party not in breach shall be entitled to recover from the breaching party all costs, expenses, reasonable attorneys' fees and damages which may be incurred or sustained by reason of such breach.
- Each party covenants and agrees that it has no power to incur any 15.2 indebtedness giving a right to a lien of any kind or character upon the right, title and interest of the other party in and to the Leased Property covered by this Lease, and that no person shall ever be entitled to any lien, directly or indirectly, derived through or under the other party, or its agents or servants, or on account of any act or omission of

the other party, except for any lien reserved upon (i) the Lessee's (or Lessee's successors and/or assigns) Leasehold Interest in the Leased Property by a Lender or a Leasehold Mortgagee, or (ii) the subleasehold interest of any Space Tenant or Land Tenant (or their successors and/or assigns) in the Leased Property by a Lender or a Leasehold Mortgagee. All persons contracting with the Lessee, or furnishing materials or labor to the Lessee, or to its agents or servants, as well as all persons whomsoever, shall be bound by this provision of this Lease. The Lessee shall not be deemed to be the agent of the Lessor as to confer upon a laborer bestowing labor upon the Leased Property, or upon a materialman who furnishes material incorporated in the construction of improvements upon the Leased Property, a lien upon the Lessor's estate under the provisions of Chapter 713, Florida Statutes, and subsequent revisions of that law. UNDER CHAPTER 713 OF THE FLORIDA STATUTES, THIRD PARTIES ARE HEREBY NOTIFIED THAT THEY MAY NOT IMPOSE A LIEN ON THE LESSOR'S INTEREST IN THE LEASED PROPERTY FOR LABOR, SERVICES OR MATERIALS FURNISHED TO, OR AT THE REQUEST OF LESSEE AND ANY SUCH

- 15.3 The parties waive the privilege of venue and agree that all litigation between them in the state courts shall take place in Martin County and that all litigation between them in the federal courts shall take place in the Southern District in and for the State of Florida.
- 15.4 For all portions of the Leased Property that are not tax-exempt, Lessee agrees to pay when due all real property taxes and special assessments of whatsoever kind levied and assessed against the Leased Property, if any. The Lessee further agrees to pay when due all sales and use taxes, and any and all other taxes or assessments imposed upon and being the liability of the Lessee and arising out of this Lease, including any sales taxes due on rental payments.
- 15.4.1 The Lessee shall have the right to review or protest, or cause to be reviewed or protested, by legal proceedings, any such taxes, assessments, or other charges imposed upon or against the Leased Property or the improvements built and placed on the Leased Property, and in case any such real property taxes, assessments, or other charges shall, as a result of such proceedings or otherwise, be reduced, cancelled, set aside or to any extent discharged, the Lessee shall pay the amount that shall be finally assessed or imposed against the Leased Property or the improvements built and placed on them by the Lessee, which are finally determined to be due and payable on any such disputed or contested items. All expenses of such litigation, including court costs, shall be paid by Lessee free of all expenses to Lessor. The term "legal proceeding", as used above, shall be construed as including appropriate

appeals from any administrative actions, judgments, decrees or orders and certiorari proceedings and appeals from orders entered in them. If required by law, Lessor agrees to join in any such legal proceeding or empower Lessee to act in the name of Lessor.

- 15.4.2 Lessor will cooperate with Lessee in any filing or appeal to the Martin County Property Appraiser pertaining to the Lessee's use of the Leased Property is for a public use for purposes of determining ad valorem real property taxes. In connection therewith, the Lessor and Lessee understand and agree that the development contemplated by this Lease is being undertaken by Lessee in the public interest to carry out a public purpose for the benefit of the Lessor.
- 15.5 The Lessee agrees, at its expense, to keep and maintain the Leased Property, the improvements, furnishings, fixtures and personal property located thereon in a good state of repair and condition, normal wear and tear or damage by the elements excepted, excepting therefrom all or any part of the Leased Property or improvements placed thereon that are subsequently assigned or transferred to or owned by the Lessor.
- 15.6 After the Construction Completion Date, Lessee may not, without the prior written consent of Lessor, which consent will not be unreasonably delayed, withheld, or conditioned, make any Major Alteration to all or any part of the Leasehold Improvements located on the Leased Property owned and controlled by Lessee or Lessee's successors or assigns or the Existing Improvements.
- 15.7 The Lessee at its expense agrees to deliver the Leased Property to the Lessor upon the termination of this Lease in its then existing state of repair and condition at the time of surrender. Notwithstanding this provision, the Lessor may at its sole option require the Lessee at its sole expense to remove any and all improvements, including, underground fuel storage tanks installed by Lessee or a Land Tenant or a Space Tenant, and thereafter to restore, fill, and grade the land to the Lessor's reasonable satisfaction.
- 15.8 Lessor covenants, warrants and agrees that Lessee, and Lessee's successors and assigns, shall be entitled peacefully to enjoy, to occupy, and to possess the Leased Property throughout the Lease Term without interference, hindrance or molestation.

16. CONDEMNATION.

16.1 In the event of a taking of all of the Leased Property or so much of them so as to render the Leased Property unfit for purposes intended by this Lease, for any public or quasi-public purpose, under any statute or by right of eminent domain, the Lessee's liability to perform the terms and conditions of this Lease shall cease, but the Lessee shall be entitled to any claim against the condemnor that the Lessee may be entitled to. Lessor shall refund to Lessee any Rent or other sums paid by Lessee for the period after the termination date of this Lease. In the event that Lessee is not a

party to such condemnation, Lessee shall receive any portion of an award or compensation to the Lessor which is attributable to the fair market value of Lessee's Leasehold Interest, less the value of the reversionary interest in the Leasehold Improvements, as determined by any court or courts of competent jurisdiction.

16.2 In the event of a partial taking by condemnation or eminent domain so that the part not so taken shall be feasible for the continued operation of the Project for the purposes intended by the Lessee, then this Lease shall continue in full force and effect, and the Lessee shall be entitled to any claim against the condemnor that the Lessee may be entitled to. Lessee shall use the proceeds received by the Lessee pursuant to this Article 16 for purposes of restoring those portions of the improvements upon the remainder of the Leased Property and impacted by the condemnation to as near their former condition as circumstances will permit.

In determining whether repair or restoration is feasible, the Lessee shall consider, among other factors: (i) the cost of repairing or restoring the improvements affected by the condemnation; (ii) the amount of damage or destruction involved and the condemnation proceeds available to pay for the repair or restoration of the improvements affected by the loss; (iii) the effects of the loss on the Project's ability to operate in a commercially reasonable manner, and whether it is commercially reasonable to attempt to repair or restore; (iv) Lessee's ability to obtain all necessary Permits, Building Permits, and other governmental approvals required to repair or restore, and operate the Project in compliance with all applicable City codes and ordinances and all other applicable governmental laws and to a reasonably commercial standard or condition; and (v) the length of time remaining in the Lease Term at the time of the condemnation.

17. <u>DEFAULT; REMEDIES</u>.

- 17.1 Any violation of the UCCUA shall constitute a material breach of this lease.
- 17.2 Each of following events are events of default by Lessee under this Lease ("Event of Lessee's Default"):
- 17.2.1 Subject to Unavoidable Delay and the terms of Article 17.2.6 below, should Lessee fail to commence construction of the Leasehold Improvement within forty-five (45) days after issuance of the Building Permit for the Leasehold Improvements, this Lease and the Leasehold Interest shall terminate. Upon such termination, Lessee shall surrender the Leased Property to the Lessor in good condition and repair normal wear and tear excepted. Upon such surrender, neither party shall have any further right or obligation under this Lease. Unless and until a lease termination certificate is executed by Lessor and Lessee and recorded in the Public Records of Martin County, reflecting a termination of this Lease and surrender of the Leased Property pursuant to this Article 17.2, all parties are put on record notice and shall assume and rely upon the fact that this Lease is in good standing and in full force and effect.

- 17.2.2 In the event there shall be a material default by Lessee under this Lease prior to the Construction Commencement Date, and such material default shall continue after the expiration of the applicable grace period set forth in Article 17.2.6, Lessor shall have the following rights and remedies:
- (a) The Lessor, by notice in writing transmitted to the Lessee, as provided in the paragraph entitled "NOTICES", may at its option declare the Lessee's interest under this Lease ended and without further force and effect. The Lessor is then authorized to reenter and repossess the Leased Property and the improvements and personal property on them and the Lessee does in such event waive any demand for possession of the Leased Property, and agrees to surrender and deliver up the Leased Property peaceably to Lessor. In the event of such action, the Lessee shall have no claim whatsoever against the Lessor by reason of the improvements made upon the Leased Property, rents paid, or from any other cause whatsoever. Upon the Lessee's abandonment or surrender of the Leased Property, the Lessor shall retake possession of the Leased Property and, in such event, Lessor shall be limited to the rights and remedies set forth in Article 17.2.5.
- 17.2.3 In the event there shall be a material default by Lessee under this Lease after the Construction Commencement Date, and such material default shall continue after the expiration of the applicable grace period set forth in Article 17.2.6, Lessor shall have the right to all legal and equitable remedies under applicable law, excepting, however, Lessor shall expressly not have the right to terminate this Lease or obtain the right of reentry or repossession of the Leased Property, unless such material default is a failure to pay Rent when due.
- 17.2.4 In the event there shall be a material default by Lessee under this Lease after the issuance of the Certificate of Occupancy for the Leasehold Improvements, and such Material Default shall continue after the expiration of the applicable grace period set forth in Article 17.2.6, Lessor shall have the right to all legal and equitable remedies under applicable law including the remedies set forth herein regarding the Lessee's failure to repair and maintain the Leased Property, excepting, however, Lessor shall expressly not have the right to terminate this Lease or obtain the right of re-entry or repossession of the Leased Property, unless such material default is a failure to pay Rent when due.
- 17.2.5 If, at any time, the Leasehold Improvements in the Upland Area are effectively "abandoned" for thirty (30) days, subject to written notice to the Lessee and an opportunity to cure said default in accordance with Article 17.2.6, Lessor may declare an Event of Lessee's Default, terminate the Lease, collect any past due Rent through the end of the then current quarter of the Lease Year, and take control of the Leased Property. Lessor's right to terminate the Lease, collect any past due Rents, and take control of the Leased Property shall be the sole and exclusive remedy of Lessor in the event Lessee abandons the Leased Property. For purposes of this Lease, the term "abandoned" shall not mean any period of time during which any portion of the Improvements are unoccupied (a) during initial "lease-up" of the Projectfollowing

issuance of the Certificates of Occupancy; or (b) as a result of a Tenant ceasing operations for any reason whatsoever.

- 17.2.6 If any of the Events of Lessee's Defaults set forth in this Article 17.2 occur, or if Lessee shall fail in the performance of any material term of this Lease, then the Lessor, or its agent, may send to the Lessee a written notice of default, specifying the nature of the default, and Lessee shall, within sixty (60) days after the date of the notice, cure and remedy the default, and this Lease shall then continue as before; provided, however, in the event such breach cannot with due diligence be cured within a period of sixty (60) days, and if written notice of the default shall have been given to Lessee, and if Lessee, prior to the expiration of sixty (60) days from and after the giving of such notice commences to eliminate the cause of such default and proceeds diligently and with reasonable dispatch to take all steps and do all work required to cure such default and does so cure such default within a reasonable period of time, then Lessee shall not be in default under this Lease. Failure of the Lessor to insist upon the strict performance of any of the covenants, conditions and agreements of this Lease in any one or more instances, shall not be construed as a waiver or relinquishment in the future of any such covenants, conditions and agreements.
- 17.3 Each of the following events are events of default by Lessor under this Lease ("Event of Lessor's Default"):
- 17.3.1 If Lessor shall fail in the performance of any material term of this Lease, then the Lessee, or its agent, may send to the Lessor a written notice of default, specifying the nature of the default, and Lessor shall, within sixty (60) days after the date of the notice, cure and remedy the default, and this Lease shall then continue as before; provided, however, in the event such breach cannot with due diligence be cured within a period of sixty (60) days, and if written notice of the default shall have been given to Lessor, and if Lessor, prior to the expiration of sixty (60) days from and after the giving of such notice commences to eliminate the cause of such default and proceeds diligently and with reasonable dispatch to take all steps and do all work required to cure such default and does so cure such default within a reasonable period of time, then Lessor shall not be in default under this Lease. Failure of the Lessee to insist upon the strict performance of any of the covenants, conditions and agreements of this Lease in any one or more instances, shall not be construed as a waiver or relinquishment in the future of any such covenants, conditions and agreements.
- 17.3.2 In the event there shall be an Event of Lessor's Default and such Event of Lessor's Default shall continue after any applicable grace period, Lessee shall have the right to all legal and equitable remedies under applicable law.
- 17.4 Lessor and Lessee each agree promptly to perform, comply with and abide by this Lease, and each agree that time of payment and of performance of material obligations are of the very nature and essence of this Lease.
- 18. <u>RIGHT TO CONTEST</u>. Subject to the conditions set forth in Article 18.01 below, the Lessor or Lessee each may, at its sole discretion and expense, after prior

written notice to the other party hereto, contest by appropriate action or proceeding conducted in good faith and with due diligence, the amount or validity or application, in whole or in part, of any lien, any payment of any taxes, assessments, impact fees or other public charges of a similar nature that may from time to time be levied upon or assessed by any appropriate governmental authority against Lessee, the Project (or any part thereof), the Leased Property, furniture, fixtures, equipment or other personal property thereon, and the revenues generated from the use or operation of any or all of the above, any other payment specifically identified in this Lease, or compliance with any law, rule, regulation, or other such legal requirement.

- 18.1 The right to contest any charge, payment or requirement pursuant to this Article 18 is subject to the following:
- 18.1.1 such proceeding shall suspend the execution or enforcement of such charge, payment or requirement;
- 18.1.2 such proceeding will not create any risk of impairment of the acquisition or preparation of the Leased Property, the construction, completion, operation or use of the Project, the Leased Property, or any part thereof, in any material respect, and neither the Project or Leased Property, nor any part of the Project or the Leased Property, would be subject to any risk of being involuntarily sold, forfeited or lost or the acquisition of the Leased Property or the construction, equipping, or completion of the Leasehold Improvements or any part thereof be delayed or prohibited;
- 18.1.3 such proceeding will not subject any other party to criminal liability or risk of material civil liability for failure to comply therewith, or involve risk of any material claim against such party; and
- 18.1.4 the party seeking the benefit of this Article 18.1 shall have furnished to the other parties such security, if any, as may be required in such proceeding or as may be reasonably requested by the others, to protect the Project and the Leased Property, and any part thereof, and any interest of such parties hereunder.

19. OWNERSHIP AT TERMINATION OR EXPIRATION.

- 19.1 Subject to the provisions of Article 20.2 below, any improvements and fixtures located on the Leased Property at termination of the Lease shall become the property of the Lessor.
- 19.2 Any trade fixtures or personal property installed, attached to or located on the Leased Property by Lessee or any Space Tenant or Land Tenant, whether or not attached to the freehold, shall become the lessor's property
- 20. <u>INSURANCE</u>. Insurance shall be issued by an insurer whose business reputation, financial stability and claims payment reputation is satisfactory to Lessor. Unless otherwise agreed, the amounts, form and type of insurance shall conform to the following minimum requirements:

- 20.1 Lessee shall purchase and maintain Worker's Compensation Insurance Coverage for all Workers' Compensation obligations required by law. Additionally, the policy, or separately obtained policy, must include Employers Liability Coverage of at least \$100,000 each person accident, \$100,000 each person disease, \$500,000 aggregate disease.
- 20.2 Lessee shall purchase coverage on forms no more restrictive than the latest editions of the Commercial General Liability Form filed by the Insurance Services Office. Lessor shall not be considered liable for premium payment, entitled to any premium return or dividend and shall not be considered a member of any mutual or reciprocal company. Minimum limits of \$1,000,000 per occurrence, and per accident, combined single limit for liability must be provided, with umbrella insurance coverage making up any difference between the policy limits of underlying policies coverage and the total amount of coverage required.
- 20.2.1 Commercial General Liability coverage must be provided, including bodily injury and property damage liability for premises, operations, products and completed operations, and independent contractors. Fire Legal Liability insurance must be endorsed on this policy with limits no less than \$100,000 per occurrence. The coverages shall be written on occurrence-type basis and the Lessor shall be listed as an additional insured.
- 20.2.2 Umbrella Liability Insurance coverage shall not be more restrictive than the underlying insurance policy coverages. The coverage shall be written on an occurrence-type basis.
- 20.2.3 Lessee understands and agrees that the minimum limits of Commercial General Liability Insurance and Umbrella Liability Insurance required may become inadequate during the term of this Lease and the minimum limits may be increased by the Lessor not more frequently than every five (5) Lease Years to reasonable and customary amounts for similar type projects.
- 20.3 Lessee shall require Contractors during construction of the Leasehold Improvements to provide or cause to be provided, pay for and keep in full force and effect the types and amounts of insurance customarily carried by contractors and subcontractors on jobs comparable to this Project.
- 20.4 Required insurance shall be documented by certificates of insurance that provide that Lessor shall be notified at least thirty (30) days in advance of cancellation, nonrenewal or adverse change or restriction in coverage. The name of this Lease must be listed on the certificate. Certificates shall be on the "Certificate of Insurance" form equal to, as determined by Lessor, an ACORD 25. Lessee shall replace any cancelled, adversely changed, restricted or non-renewed policies with new policies acceptable to Lessor and shall file with Lessor Certificates of Insurance under the new policies prior to the effective date of such cancellation, adverse change or restriction. If any policy is not timely replaced, in a manner acceptable to the Lessor the Lessee shall, upon instructions of Lessor, cease all operations under the Lease

until directed by Lessor, in writing, to resume operations. The "Certificate Holder" address should read: City of Stuart, 121 SW Flagler Avenue, Stuart, FL 34994.

- 20.5 Lessee's required coverage shall be considered primary and all other insurance shall be considered as excess, over and above the Lessee's coverage.
- 20.6 Lessee shall retain control over its employees, agents, servants and subcontractors, as well as control over its invitees, and its activities on and about the Leased Property and the manner in which such activities shall be undertaken and to that end, Lessee shall not be deemed to be an agent of Lessor. Precaution shall be exercised at all times by Lessee for the protection of all persons, including employees, and property. Lessee shall make special effort to detect hazards and shall take prompt action where loss control/safety measures should reasonably be expected.
- 20.7 Lessee shall indemnify, defend and save harmless the Lessor from and against any and all claims, suits, actions, damages and causes of action arising during the term of this Lease, for any personal injury, bodily injury, loss of life or damage to property sustained on the Leased Property, or to or about the Leasehold Improvements placed on the Leased Property, or their appurtenances, or upon adjacent sidewalks or streets excepting therefrom public streets maintained by Lessor, and from and against all costs, counsel fees, expenses, liabilities, judgments and decrees incurred in or arising out of any such claim, the investigation of them, or the defense of any action or proceeding brought on them, and from and against any orders, judgments and decrees which may be entered in them. Lessee shall also specifically defend any action or proceeding brought against Lessor as the result of any such claim for bodily injury, loss of life or damage to property, at no cost or expense to Lessor. If Lessee has supplied Lessor with evidence of insurance covering any of the aforementioned risks, no claim shall be made against Lessee unless and until the insurer shall fail or refuse to defend and/or pay all or any part thereof.
- 20.8 Notwithstanding that each party to this Lease shall carry liability insurance, and shall even name each other as additional insureds, the Lessor hereunder shall only be liable for claims, torts, actions, damages, suits, and causes of action derived from its own actions or inactions and for those of its officials, employees and agents. It is the intent of this Lease that the City of Stuart, as Lessor, shall be responsible only for its own tort liability, and not that of the Lessee, and the Lessee specifically acknowledges the limitations of liability afforded to the Lessor by the provisions of Section 768.28, Florida Statutes, which are fully claimed by the Lessor. The Lessee shall not be deemed to be in default under the provision of this Article 20 if all or a portion of insurance required under this paragraph is not commercially available.
- 20.9 Lessor and Lessee hereby waive, or agree to cause their respective insurers to waive subrogation or consent to a waiver of right of recovery, or to agree that the insurance is not invalidated if the insured has waived, or has waived before the casualty, the right to recover against the other.

- 20.10 From and after the Lease Commencement Date, Lessor shall indemnify, defend and save harmless the Lessee, at no cost or expense to Lessee, from and against any and all claims, suits, actions, damages and causes of action for any personal injury, bodily injury, loss of life or damage to property sustained on the Leased Property, or to or about the Existing Improvements arising prior to the Lease Commencement Date, and for any other claims, suits, actions, damages and causes of action arising prior to the Lease Commencement Date, and from and against all costs, counsel fees, expenses, liabilities, judgments and decrees incurred in or arising out of any such claim, the investigation of them, or the defense of any action or proceeding brought on them, and from and against any orders, judgments and decrees which may be entered in them.
- 21. <u>CASUALTY</u>. Lessee may determine the economic feasibility of obtaining or maintaining the windstorm and/or flood coverage of the builders' risk, business disruption, and property insurance which is otherwise required herein. If Lessee determines it is not possible, or not economically feasible to obtain or maintain said windstorm and/or flood insurance coverages, it may be uninsured for windstorm and/or flood events. Lessee shall obtain all other coverages required herein. The inability or unwillingness to obtain insurance coverages pursuant to this Article 21 shall not be used by the Lessee as a basis for determining the "reasonable opinion that repair and restoration is not feasible" as used in Article 21.4.
- 21.1 Coverages required herein shall be, if commercially available on commercially reasonable economic terms, builders risk, business disruption, and property insurance. Lessee will seek to insure on a replacement cost basis for customary risks from fire and other casualty, it being understood that as of the Effective Date, windstorm and flood insurance are not generally available on commercially reasonable terms for properties similar to the Project.
- 21.2 If a casualty loss affecting all or that part of the improvements located on the Leased Property should occur for all or that part of the improvements, the Lessee shall promptly notify the Lessor about the loss ("Notice of Loss"). The Notice of Loss shall include the date on which the loss occurred and the determination of the Lessee, in its reasonable opinion, as to whether the repair or restoration of the improvements affected by the loss is feasible. If repair or restoration is feasible, the proposed construction schedule and budget for implementing such repair or restoration shall be sent to Lessor within ninety (90) days after delivery of the Notice of Loss, subject to Unavoidable Delay.
- 21.3 If the Lessee determines in its reasonable opinion that repair or restoration is feasible, the Proceeds shall be used, collected and disbursed to pay for the repair or restoration in accordance with the proposed construction schedule and budget for implementing such repair or restoration. If any Proceeds remain after paying for the repair or restoration, they shall be disbursed to the Lessee.
- 21.4 If the Lessee determines in its reasonable opinion that repair and restoration is not feasible, Lessee will not be obligated to make such repair or

restoration. In that event, the Proceeds shall be used to clear that portion of damaged or destroyed improvements affected by the loss, and the cleared lands shall be surrendered to the Lessor. Upon such surrender, this Lease shall terminate as to that surrendered portion. If Proceeds remain after paying for the cost of clearing that portion of the damaged or destroyed improvements affected by the loss, the Proceeds shall be then used to pay any additional costs incurred by the Project as a result of such loss and severance. Thereafter, any remaining Proceeds shall be disbursed to the Lessee. The time between the date of the casualty and the date on which Notice of Loss is given shall be considered an Unavoidable Delay under this Lease. Lessee will not be obligated to make any repair or restoration that is feasible, unless and until Lessee's time for performance has been extended by a period of time sufficient to repair or restore such loss and complete the balance of the Project. Nothing in this Article 21.4 shall affect the Lessee's obligation to pay rent when due.

Subject to Lessee's determination that repair or restoration of the Leasehold Improvements is feasible in accordance with 21.1 above, Lessee is required to rebuild if the Leasehold Improvements are destroyed in whole or in part by fire, flood, or windstorm damage, or other casualty, or any combination thereof, whether insured or noninsured, or whether totally destroyed or partially damaged. In the event that Lessor is unable to obtain or maintain business disruption insurance after diligent efforts to do so, the quarterly rent payments to the City during such occurrence shall be reduced during a period of business disruption not to extend beyond twelve (12) months after the date of such casualty and this Lease shall not be terminated during such period provided Lessee is using good faith efforts to cause the Leasehold Improvements to be reconstructed in an expeditious manner provided, however, Lessee shall not be penalized for its inability to obtain Permits and/or materials and/or skilled labor due to the consequences of the event that caused the casualty (i.e. hurricane). In the event that Lessor is able to obtain business disruption insurance coverage, Rent shall be paid as provided in Article 6 herein but said Rent shall not exceed the amount of business disruption proceeds actually received by Lessee. Restitution of the Leasehold Improvements is the prime objective of the City, subject, however, to the terms of Article 21.4 above.

22. ASSIGNMENT.

22.1 Lessee may not assign any portion or all of this Lease or sublease the whole or any part of the Premises, including portions of any improvements erected thereon by Lessor or other portions of the Premises for any purpose without the written consent of Lessor, which consent shall not be unreasonably withheld or delayed. However, any assignment or sublease may be conditioned by the Lessor on the commercial suitability, the good reputation in the community, and the financial strength and solvency of the proposed assignee or sub-tenant, all or any of which may require suitable documentation and proof thereof. Notwithstanding any assignment or sublease, the Lessee shall remain liable for the full performance of its covenants and obligations under this Lease for the entire term hereof. No sub-lease shall extend beyond the existing term of this Lease. No sub-lease shall alter or have the right to alter or change the terms of this Lease.

Contemporaneous with the execution of this Amended Lease, but in no event more than 30 days from signing this lease, Lessee shall be required to execute a full and unconditional Assignment of this Lease to any Lessee chosen by the City. Said Assignment will be held in escrow by the City. In the event Lessee is declared in default by the City, subject to the written notice and cure provisions in Article 17.2.6, the Stuart City Commission may use the Assignment to unconditionally assign the Lease and all rights and obligations hereunder to a Lessee chosen by the City.

- 22.2 City criteria to approve an assignment of this Lease shall be the following:
- 22.2.1 The City Commission, at its discretion, must be satisfied that the assignee intends to use the Leased Property in a manner that is consistent with uses allowed by this Lease.
- 22.2.2 The City Commission must be satisfied that the assignee possesses the financial capacity, a good reputation, and managerial ability to operate successfully on the Leased Property.
- 23. <u>SUCCESSORS IN INTEREST</u>. The covenants and agreements contained in this Lease shall be binding on and inure to the benefit of the respective permitted successors and assigns of the parties whether by merger or otherwise. Wherever used, the singular number shall include the plural, and the use of any gender shall be applicable to all genders.
- 24. <u>NOTICES</u>. All notices required by law and by this Lease to be given by one party to the other shall be in writing, and the same may be served as follows:
- 24.1 All notices, demands, requests for approvals or other communications given by either party to another shall be in writing signed by the party or its counsel identified below, and shall be sent by (a) registered or certified mail, postage prepaid, return receipt requested, (b) courier service, (c) facsimile transmission, or (d) hand delivery to the office for each party indicated below and addressed as follows:

Refusal by any person to accept delivery of any notice delivered to the office at the address indicated above (or as it may be changed) shall be deemed to have been an effective delivery as provided in this Article 24. The addresses to which notices are to be sent may be changed from time to time by written notice delivered to the other parties and such notices shall be effective upon receipt. Until notice of change of address is received as to any particular party hereto, all other parties may rely upon the last address given.

25. ESTOPPEL CERTIFICATES.

- 25.1 Lessor agrees that, at any time and from time to time during the term of this Lease, within twenty (20) days after request by the Lessee, the Lessor will execute, acknowledge and deliver to any prospective Space Tenant, Land Tenant, purchaser, assignee, mortgagee or other person designated by Lessee, a certificate stating: (a) that this Lease is unmodified and in force and effect (or if there have been modifications, that this Lease is in force and effect as modified, and identifying the modification agreements); (b) confirming that the Rent has been paid in full and the date of the last payment; (c) whether or not there is any existing default by either party hereto, and, if there is any such default, specifying the nature and extent thereof; (d) whether or not there are any setoffs, defenses, or counterclaims against enforcement of the obligations to be performed hereunder; and (e) any other information relating to this Lease reasonably requested by the Lessee.
- 25.2 Lessor will provide estoppel certificates to the lenders of any Space Tenant or Land Tenant which certificates shall confirm: (a) the term of the Lease, (b) no defaults under the Lease, and (c) other matters reasonably requested by the Space Tenant or Land Tenant's lender, if applicable.
- 25.3 In the event Lessee, any Space Tenant or any Land Tenant obtains Construction Financing and/or Long Term Financing for the Leasehold Improvements, Lessor agrees to cooperate with said lender(s) in connection with requests by said lenders for commercially reasonable "lender protection" terms provided said terms impose no additional obligation to or risk upon the Lessor.

26. <u>SEVERABILITY</u>. If any paragraph, subparagraph, sentence, clause, provision, or part of this Lease shall be held invalid for any reason, the remainder of this Lease shall not be affected.

27. <u>LEASEHOLD NON-SUBORDINATED MORTGAGES</u>.

- 27.1 No mortgage may be placed on the underlying fee interest of the City or on the Improvements, provided, however, Lessee shall have the right to grant a mortgage on the Leasehold Interest pursuant to the terms of this Article 27.
- 27.2 Lessee may not mortgage, pledge or encumber all or any part of the Leasehold Interest, without the prior written consent of the Lessor, except to a Leasehold Mortgagee. The provisions of this Article 28 and any other provisions contained in this Lease which benefit a Leasehold Mortgagee shall only apply to Leasehold Mortgagees under mortgages complying with the terms of this Article 27.
- 27.3 No Leasehold Mortgagee shall have the rights or benefits described in this Article 27, nor shall the provisions of this Article 27 be binding upon Lessor with respect to any such mortgage or any assignment thereof, unless or until such Leasehold Mortgagee shall deliver to Lessor an executed counterpart of such mortgage, together with a statement signed and acknowledged by such Leasehold Mortgagee that such mortgage will be subject and subordinate to the rights of Lessor hereunder. Nothing contained in such a mortgage or contained herein, whether express or implied, shall have the effect of subordinating any interest or estate of Lessor in and to the Leased Property, to the lien of such a mortgage.
- 27.4 If Lessee shall mortgage all or any part of the Leasehold Interest to a Leasehold Mortgagee(s), in compliance with Articles 27.2 and 27.3 of this Lease, the following provisions shall apply until the subject mortgage has been satisfied:
- (a) There shall be no cancellation or surrender of this Lease by joint action of Lessor and Lessee without the prior consent in writing of the Leasehold Mortgagee(s), not to be unreasonably withheld.
- (b) There shall be no modification of this Lease which would materially increase the Rent hereunder or shorten the Lease Term, by joint action of Lessor and Lessee, without the prior consent in writing of the Leasehold Mortgagee(s), not to be unreasonably withheld.
- (c) Provided Lessee has provided Lessor written notice of the name and notice address of its Leasehold Mortgagee, Lessor, upon serving Lessee any notice of default or any other notice or demand required under this Lease, shall also serve a copy of such notice upon such Leasehold Mortgagee, and no notice or demand by Lessor to Lessee shall be deemed to have been duly given unless and until a copy thereof has been so served.
- (d) Any Leasehold Mortgagee shall have the right to perform any term or condition of this Lease to be cured or performed by Lessee, and

Lessor shall accept such performance by such Leasehold Mortgagee with the same force and effect as if furnished by Lessee, provided that such Leasehold Mortgagee remedies any monetary default no later than fifteen (15) days after same may be remedied by Lessee hereunder, and remedies any non-monetary default or performs such term or condition no later than the date that is thirty (30) days after the last date by which such default may be remedied by Lessee hereunder.

- (e) In the event that the Leasehold Mortgagee is unable to cure such default without first obtaining control or title to the Leasehold Interest, Lessor shall provide the Leasehold Mortgagee an extended period of time in which to obtain control or title to the Leasehold Interest and to effectuate such cure, provided that the Leasehold Mortgagee commences proceedings to obtain control or title to the Leasehold Interest within sixty (60) days of receipt of a notice called for pursuant to subsection (c) of this Article 27.4 and diligently prosecutes such action or actions and commences to and diligently proceeds to cure such default upon obtaining possession or title to the Leasehold Interest. In the event that such proceedings are not necessary to enable the Leasehold Mortgagee to cure such default, the periods for curing the same shall not be extended as described in the preceding sentence.
- 27.5 A Leasehold Mortgagee(s) may become the legal owner of the Leasehold Interest by foreclosure of its mortgage(s) or as a result of the assignment of the Leasehold Interest in lieu of foreclosure provided that all obligations of Lessee hereunder are fulfilled in accordance with the terms of this Lease, including Article 27.4 regarding the right of an Leasehold Mortgagee to cure defaults hereunder.
- If this Lease shall terminate for any reason or be rejected or disaffirmed pursuant to bankruptcy law or other law affecting creditor's rights, any Leasehold Mortgagee or a person designated by such Leasehold Mortgagee, shall have the right, exercisable by notice to the Lessor within 30 days after the effective date of such termination, to enter into a new lease of the Leased Property with the Lessor. The term of said new lease shall begin on the date of the termination of this Lease and shall continue for the remainder of the term of this Lease including any extensions or renewals provided for hereunder. Such new Lease shall otherwise contain the same terms and conditions as those set forth herein, except for requirements which are no longer applicable or have already been performed, provided that such Leasehold Mortgagee shall have remedied all defaults on the part of the Lessee hereunder which are susceptible of being remedied by the payment of money, and provided further that such new lease shall require the Lessee thereunder promptly to commence, and expeditiously to continue, to remedy all other defaults on the part of the Lessee hereunder to the extent susceptible of being remedied. It is the intention of the parties hereto that such new lease shall have the same priority relative to other rights or interests to or in the Leased Property as this Lease. The provisions of this Article 27.6 shall survive the termination of this Lease and shall continue in full force and effect thereafter to the same extent as if this Article 27.6 were a separate and independent contract among the Lessor, the Lessee and each Leasehold Mortgagee.

From the date on which any Leasehold Mortgagee shall serve upon the Lessor the aforesaid notice of the exercise of its rights to a new lease, such Leasehold Mortgagee may use and enjoy the Leased Property without hindrance by the Lessor. If more than one Leasehold Mortgagee makes written demand upon Lessor in accordance with the provisions hereof for a new lease, the new lease shall be delivered pursuant to the leasehold mortgage, whose Leasehold Mortgagee is prior in lien among those who made the request and any other request shall be null and void and no force and effect.

- 27.7 No Leasehold Mortgagee shall become personally liable for the performance or observance of any covenants or conditions to be performed or observed by the Lessee unless and until such Leasehold Mortgagee becomes the owner of the Leasehold Interest upon the exercise of any remedy provided for in any leasehold mortgage or enters into a new lease with the Lessor pursuant to Article 27.6 above. Thereafter such Leasehold Mortgagee shall be personally liable for the performance and observance of such covenants and conditions only so long as such Leasehold Mortgagee owns such interest or is lessee under such new lease or to the extent of any proceeds from the transfer or conveyance of such interest.
- 27.8 A Land Tenant shall be entitled to mortgage its sub-leasehold estate in the Leased Property provided its Leasehold Mortgage complies with all applicable terms and conditions applicable to Leasehold Mortgages in the Land Lease. Any Leasehold Mortgage obtained by a Land Tenant shall be specifically subject and subordinate to the Lessee's rights under the Land Lease and the Lease, and to Lessor's fee ownership of the Leased Property. The sentence immediately preceding shall not be deemed or construed (by implication or otherwise) to impose or establish upon the Land Tenant's interest in the Land Lease or upon the lien of any Leasehold Mortgage the superiority of any lien or encumbrance, including, without limitation, the lien of any fee mortgage, judgment or tax created directly or indirectly by, through or against the Lessor's fee interest in the Leased Property covered by the Land Lease or the Lessee's interest in the Land Lease or the Lease. Despite any provision which is or may appear to be to the contrary in the Land Lease, under no circumstances whatsoever shall Lessor's fee simple title interest, or Lessee's Leasehold Interest in the Leased Property, or any portion of them, be subordinated to the Land Lease.
- 28. <u>COMPLETE AGREEMENT</u>. The parties mutually represent and warrant to each other that this Lease constitutes the final and complete agreement of the parties on its subject matter and may not be changed, modified, discharged or extended except by written instrument duly executed by the parties. The parties agree that no previous representations or warranties shall be binding upon either party nor has the execution of this Lease been induced on the part of any party except as expressed in writing in this Lease.
- 29. <u>NON-DISCRIMINATION</u>. Lessee shall not discriminate against contractors, sublessees or users of the Existing Improvements or Leasehold Improvements with regard to race, creed, color, handicap, familial status, disability, marital status, religion, national origin or content of speech. Lessee accepts sole responsibility for ensuring such non-discriminatory access to the Leased Property.

- 30. <u>SUBROGATION</u>. The Lessor shall have the option, after sixty (60) calendar days' prior written notice to Lessee and without waiving or impairing any of Lessor's rights, to pay any sum or perform any act required of the Lessee under this Lease, and the amount of any such payment and the value of any such performance, together with interest on them, shall be secured by this Lease, and shall be promptly due and payable to the Lessor as additional rent.
- 31. <u>CONFORMITY TO LAW</u>. Lessee acknowledges that the Leased Property and the Leasehold Improvements to be constructed thereon are subject to all applicable laws, and to provisions and restrictions governing land use and zoning, site and structure design, compliance with building, environmental and occupational codes as determined by the applicable governing entity or instrumentality having jurisdiction.
- 32. <u>LICENSES AND PERMITS</u>. Except as otherwise provided in Article 11.1, Lessee shall, at its own expense, obtain all necessary permits, and pay all licenses, fees, and taxes required to comply with all applicable laws relative to development and operation to be conducted on the Leased Property in accordance with this Lease. Upon Lessor's written request, at reasonable intervals, Lessee agrees to provide Lessor with a copy of such permits and payments.
- 33. RADON GAS. Section 404.056, Florida Statutes requires that the following notification be given for real estate transactions of this type: "RADON GAS: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit."
- 34. <u>RESTRAINTS UPON USE</u>. Lessee understands and agrees that its use of the Leased Property is expressly subject to all applicable zoning and building restrictions in the City Codes and this Lease applicable to the Leased Property. The Lessee shall comply in all particulars with all pertinent rules, regulations, laws and ordinances duly and legally promulgated by any governmental authority.
- 35. NO MERGER. There shall be no merger of this Lease or of the leasehold estate hereby created with the fee estate in the Leased Property or any part thereof by reason of the fact that the same person may acquire or hold, directly or indirectly, this Lease or the leasehold estate hereby created or any interest in this Lease or in such leasehold estate as well as the fee estate in the Leased Property or any interest in such fee estate.
- 36. <u>SUBORDINATION OF PERSONAL PROPERTY</u>. Lessor hereby subordinates in favor of any Leasehold Mortgagee any right to a Lessor's lien against the furnishings, fixtures, machinery, equipment, furniture, inventory and/or any other items of personal property which is owned by Lessee or any Space Tenants or Land Tenants, and now located or may hereafter be delivered or installed in or upon any of the improvements situated upon the Leased Property. This subordination is self-

executing and no further evidence of the subordination must be produced. However, if requested by any Leasehold Mortgagee, Lessor shall execute and deliver a subordination agreement in the form reasonably required by such Leasehold Mortgagee within fifteen (15) business days of written request and the governing body of Lessor hereby authorizes and instructs its Authorized Representative to sign and deliver such subordination agreement when found not to be inconsistent with the purpose and intent of this Article 36.

- DELAYS. In the event either party hereto is delayed in the performance of 37. any act required hereunder by reason of an Unavoidable Delay, performance of such act shall be excused for the period of the Unavoidable Delay and the period for the performance of such act shall be extended for a period equivalent to the period of the Unavoidable Delay and all dates, time periods, deadlines as contained in this Lease shall be extended by the time period caused by the Unavoidable Delay. "Unavoidable Delay" means any of the following events or conditions or any combination thereof: acts of God, acts of the public enemy, riot, insurrection, war, terrorism, pestilence, archaeological excavations required by law, unavailability of materials after timely ordering of same, epidemics, quarantine restrictions, freight embargoes, fire, lightning, hurricanes, earthquakes, tornadoes, floods, extremely abnormal and excessively inclement weather (as indicated by the records of the local weather bureau for a five-year period preceding the Lease Commencement Date), strikes or labor disturbances, delays due to proceedings under Chapters 73 and 74, Florida Statutes, restoration in connection with any of the foregoing or any other cause beyond the reasonable control of the party performing the obligation in question, including, without limitation, such causes as may arise from the act of the other party to this Agreement, or acts of any governmental authority.
- 38. <u>GOOD FAITH AND FAIR DEALING</u>. Lessor and Lessee hereby agree to interpret the terms, conditions and provisions of this Lease in good faith exercising reasonable business judgment, and to attempt to resolve any and all issues, disputes or conflicts that may arise hereunder in a reasonable and fair manner.

39. TENTH YEAR REVIEW.

- 39.1 Tenth Year Lease Review shall be initiated by the City with respect to the following:
- 39.1.1 Improvements in technology or other aspects of the facilities subject to the Lease since the commencement of the Lease or the most recent Tenth Year Review;

- 40. <u>RELATIONSHIP OF THE PARTIES / NO JOINT VENTURE</u>. The parties hereby agree that it is their intention to create only the relationship of Lessor and Lessee, and neither this Lease, nor any term, provision, payment or right hereunder shall in any way or for any purpose, constitute or cause Lessor to become or be deemed a partner of Lessee in the conduct of its business, or otherwise, or to cause Lessor to become or be deemed a joint adventurer or a member of a joint enterprise with Lessee, nor shall this Lease, or any term or payment required herein, confer or be deemed to confer any interest upon Lessor in the conduct of Lessee's business.
- 41. <u>EXCULPATION</u>. Notwithstanding anything to the contrary provided in this Lease, neither Lessor, nor any officer, director, trustee, employee, agent, advisor or affiliate of Lessor, nor any holder of a superior interest in the Land, whether direct or indirect, shall have any personal liability with respect to any of the provisions of this Lease and, if Lessor is in breach or default with respect to its obligations or otherwise.
- 42. <u>LEASE FOR BENEFIT OF PARTIES HERETO</u>. Nothing in this Lease, whether express or implied, is intended or shall be construed to confer upon, or to give to, any person other than the Lessor, Lessee or their officers, directors or incorporators, any right, remedy or claim under or by reason of this Lease or any covenant, condition or stipulation thereof; and the covenants, stipulations or agreements contained in this Lease are and shall be for the sole and exclusive benefit of the aforementioned parties, and their permitted successors and assigns.
- 43. <u>QUIET ENJOYMENT</u>. invalid, the validity of the remainder of this Lease, and of the application of any such provision, action, sentence, clause, phrase, or word, in other circumstances, shall not be affected thereby.

- 46. <u>COVENANTS RUN WITH THE LAND</u>. - 47. <u>CAPTIONS</u>. The captions used in this Lease and exhibits annexed hereto are inserted solely as a matter of convenience and shall not be relied upon or used in construing the effect or meaning of any of the text of this Lease or exhibits hereto.
- 48. <u>GOVERNING LAW AND VENUE</u>. This Lease shall be governed by, and construed and enforced in accordance with, the internal laws of the State of Florida, without regard to principles of conflicts of law. Venue of all proceedings in connection herewith shall be in Martin County, Florida, and each party hereto hereby waives whatever their respective rights may have been in the selection of venue.
- <u>AUTHORITY OF LESSEE AND LESSOR</u>. If Lessee is a corporation, each individual executing this Lease on behalf of the corporation represents and warrants that (s)he is duly authorized to execute and deliver this Lease on behalf of the corporation in accordance with a duly adopted resolution of the Board of Directors of the corporation, and that this Lease shall as of the Effective Date be binding upon the corporation in accordance with its terms. Lessee shall, within thirty (30) days after the execution of this Lease, deliver to Lessor a certified copy of a resolution of the Board of Directors of the corporation authorizing or ratifying the execution of this Lease. If Lessee is a partnership, joint venture, limited liability company or other unincorporated association, each individual executing this Lease on behalf of such entity represents and warrants that (s)he is duly authorized to execute and deliver this Lease on behalf of the entity, and that this Lease shall as of the Effective Date be binding upon the entity in accordance with its terms. Lessor represents that each individual executing this Lease on behalf of the Lessor is duly authorized to execute and deliver this Lease on behalf of the Lessor and that this Lease shall as of the Effective Date be binding upon the Lessor in accordance with its terms.
- 50. <u>REPRESENTATIONS REGARDING BROKERS</u>. Lessor and Lessee hereby represent to the other that they dealt with no broker or brokers in connection with the negotiation, execution and delivery of this Lease. Lessor and Lessee shall, and do hereby, agree to indemnify and hold the other harmless from and against any losses, damages, penalties, claims or demands of whatsoever nature arising from a breach of its foregoing representation including, without limitation, reasonable attorneys' fees and expenses. The representations and indemnifications set forth in this Article shall survive the cancellation or termination of this Lease.

- 51. <u>SUCCESSORS AND ASSIGNS</u>. Except as otherwise provided in this Lease, the conditions, covenants and agreements contained in this Lease shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors and assigns.

- 5. The sole purpose of this Memorandum is to give notice of said Lease and all its terms, covenants and conditions to the same extent as if the same were fully set forth herein. The Lease contains certain other rights and obligations in favor of Lessor and Lessee which are more fully set forth therein.

Title of Item:

ORDINANCE No. 2348-2017; AN ORDINANCE OF THE CITY OF STUART, FLORIDA, ANNEXING A PARCEL OF LAND NORTH OF THE INTERSECTION OF NE SAVANNAH ROAD AND NE BAKER ROAD, CONSISTING OF 14.85 ACRES, SAID PARCEL BEING MORE FULLY DESCRIBED IN EXHIBIT "A" ATTACHED HERETO; PROVIDING DIRECTIONS TO THE CITY CLERK; PROVIDING FOR REPEAL OF ALL ORDINANCES IN CONFLICT; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE, AND FOR OTHER PURPOSES. (RC)

Summary Explanation/Background Information on Agenda Request:

Staff has received an application to annex a property located north of the intersection of NE Savannah Road and NE Baker Road. The parcel is owned by Werner Bols and is 14.85-acres in size and is undeveloped. The parcel is contiguous to the City, compact in from and will not create an enclave if annexed. The City Attorney finds the attached application to be in order and in compliance with Florida Statute Section 171.044. The property owner is not proposing a development plan or timetable for development at this time. The owner understands that City land use and PUD zoning designation will be applied for at a later date. In the meantime, Martin County's land use and zoning regulations remain in effect. As called for by Florida Statute, the Martin County BOCC has been notified of the proposed annexation by certified mail. A complete copy of tonight's agenda item was provided to the County's Growth Management Department on March 10, 2017.

In addition to the Development Department's review, the City Manager, City Attorney, Public Works and Financial Services Departments have reviewed the application without objection.

With regard to cost, annexing the subject properties will have a de minimum impact on City Services. When land use, zoning and specific development plans are proposed at a later date, a comprehensive fiscal impact analysis will occur. In the meantime, based on the as-is assessed value of the parcel (\$614,310) the City's ad valorem revenues, at the current millage rate of 4.552, will be approximately \$2,800.

PARCEL MAP

CITY OF STUART OFFICE OF THE CITY ATTORNEY

MEMORANDUM

TO: TERRY O'NEIL, DEVELOPMENT DIRECTOR

SUBJECT: VOLUNTARY ANNEXATION OF A 14.85 ACRE PARCEL OF LAND

ON N.E. SAVANNAH ROAD

CC: PAUL NICOLETTI, CITY MANAGER

DATE: March 6, 2017

ISSUE

I have reviewed an annexation request for a 14.85 acre parcel located on NE Savannah Road as depicted in Exhibit "A".

Voluntary annexations are governed by the standards of Section 171.044 Florida Statutes. The basic requirement is stated as follows:

"(1) The owner or owners of real property in an unincorporated area of a county which is contiguous to a municipality and reasonably compact may petition the governing body of said municipality that said property be annexed to the municipality."

The statute contains four (4) general requirements. First, a petition for voluntary annexation must be unanimously signed by all property owners in the area to be annexed. Second, the property proposed to be annexed must be contiguous and reasonably compact. Third, the proposed annexation cannot produce an enclave. Finally, county charters which provide for an exclusive method of municipal annexation override the Florida Statute. Martin County is not a Charter county and therefore, the fourth criteria does not apply to an annexation in the City of Stuart, Florida.

1. Signed by all property owners in the geographic area being annexed. In the present

matter, the request for annexation has been executed Werner Bohls as Trustee for the property owner and therefore all owners have executed the application.

2. Contiguous to the Municipality: Pursuant to Section 171.044(1), F.S., "the owner or owners of real property in an unincorporated area of a county which is contiguous to a municipality and reasonably compact may petition the governing body of said municipality that said property be annexed to the municipality." Property is deemed to be "Contiguous" under Section 171.031 (11), F.S., where a substantial part of a boundary of the territory sought to be annexed by a municipality is coterminous (sharing a common boundary) with a part of the boundary of the municipality. "Contiguous" has also been defined as "touching or adjoining in a reasonably substantial ... sense." See City of Sanford v. Seminole County, 538 So. 2d 113 (Fla. 5th DCA 1989); May v. Lee County, 483 So. 2d 481 (Fla. 2d DCA 1986). The Sanford Court found that Section 171.031(11) F.S. only requires "that a substantial part of a boundary" touch municipal property as opposed to the entire perimeter of the property.

Section 171.031(11) provides that:

Separation of the territory sought to be annexed from the annexing municipality by a publicly owned right-of-way for a highway, road, railroad, canal or utility or a body of water, watercourse of other minor geographical division of a similar nature, running parallel with and between the territory sought to be annexed and the annexing municipality, shall not prevent annexation under this act, provided the presence of such division does not, as a practical matter, present the territory sought to be annexed and the annexing municipality from becoming a unified whole with respect to municipal services or prevent inhabitants from fully associating and trading with each other socially and economically.

In the current application, a substantial part of the boundary is coterminous with the City of Stuart. Approximately 50 percent of the property seeking annexation is bordered by the City of Stuart. Therefore, the property meets condition one and deemed is contiguous to the City of Stuart.

3. Reasonably Compact

"Compactness is defined under subsection (12) of 171.031, F.S., to mean a concentration of a piece of property in a single area. The requirement for compactness precludes any action which would create enclaves, pockets, or ginger areas in serpentine patterns. The purpose of the compact and contiguous requirement is to assure creation of

geographically unified and compact municipalities, <u>City of Sunrise v. Broward County</u>, 473 So. 2d 1387 (Fla. 4th DCA 1985).

A review of the map and the application determines that this property is reasonably compact and meet Florida Statute 171.031(12). Given the configuration of the City as well as the property requesting annexation, the annexation will not create pockets of unincorporated areas or serpentine finger areas.

(1) No Enclaves

Subsection 5 of 171.044, F.S. Provides that "[1] and shall not be annexed through voluntary annexation when such annexation results in the creation of enclaves". The term "enclave" is defined under Section 171.031(13), F.S., as "any unincorporated improved or developed area that is bounded on all sides by a single municipality or any unincorporated improved or developed area that is enclosed within and bounded by a single municipality and a natural or manmade obstacle that allows the passage of vehicular traffic to that unincorporated area only through the municipality." A review of the map, Exhibit "A", clearly shows that annexation of the parcel would not create an area bounded on all sides by a single municipality, and there is no natural or manmade obstacle to vehicular traffic in close proximity to either parcel. Therefore, no enclaves are created.

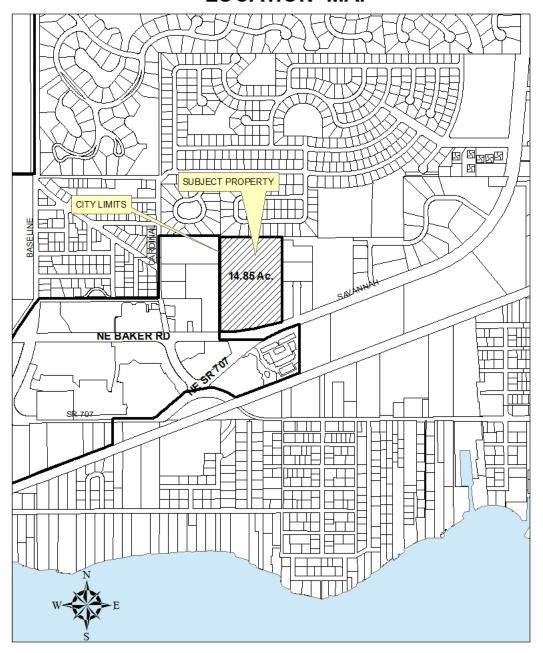

A review of the map clearly shows that an annexation of this parcel would not create an area bound on all sides by a single municipality, and there is no natural or manmade obstacle to vehicular traffic in close proximity to either parcel. Therefore, no enclaves are created.

Conclusion

Based upon the foregoing facts and analysis it is my opinion that the voluntary annexation of this parcel into the municipal boundaries of the City of Stuart comply with Florida Statute §171.044. This opinion is prepared solely at the request of and for the use of, the City of Stuart, and no other person or entity may rely on it for any purpose without the express written permission of the City of Stuart.

STAFF REPORT & MAPS

Background:

Staff has received an application to annex a single parcel on the north side of the intersection of NE Savannah Road and NE Baker Road. The 14.85 acre subject parcel owned by Werner Bols, Trustee, and is undeveloped.

The property is considered contiguous to the City, compact in form and will not create an enclave if annexed. The City Attorney finds the attached application to be in order and in compliance with Florida Statute Section 171.044. The property owner is proposing a development plan or schedule of development at this time and understands that City land use and PUD zoning designations will have to be applied for at a later date. In the meantime, Martin County's land use and zoning regulations remain in effect. As called for by Florida Statute, the Martin County BOCC has been notified of the proposed annexation by certified mail. A complete copy of tonight's agenda item was provided to the County's Growth Management Department on Friday, March 10, 2017.

CITY OF STUART, FLORIDA AGENDA ITEM REQUEST CITY COMMISSION

Meeting Date:4/10/2017 Prepared by:P NIcoletti

Title of Item:

ORDINANCE No. 2351-2017; AN ORDINANCE OF THE CITY OF STUART, FLORIDA, AMENDING SECTIONS 4-1 THROUGH 4-4, INCLUSIVE OF THE CITY OF STUART, FLORIDA CODE OF ORDINANCES TO CLARIFY AND FURTHER REGULATE ALCOHOLIC BEVERAGES WITHIN THE CITY; PROVIDING FOR REPEAL OF CONFLICTING ORDINANCES; PROVIDING FOR SEVERABILITY; PROVIDING FOR CODIFICATION; AND PROVIDING FOR AN EFFECTIVE DATE. (RC)

Summary Explanation/Background Information on Agenda Request:

Since September, 2016, with the request of 23 Master Mind LLC for a restaurant at the Post Office Arcade (23 Osceola St.) the city staff has struggled with the idea of considering the request, while being restricted by our current alcoholic beverage code which limits the sale or distribution of alcoholic beverages to 30% of the ground floor area in a defined downtown area.

As it turns out, when the original calculations were made, they did not include the square footage of the Lyric Theater, since it had a exemption. However, in hind sight, we should have included it, and then granted the exemption.

Taking that into consideration, we have recalculated the overall ground floor square footage and have added in the Lyric Theater. A copy of the spreadsheet is attached for your review.

At the same time, we have recognized the need to amend the existing ordinance, to clarify the procedures, and to simplify the way we deal with vacant space.

At the Regular City Commission Meeting of February 27th, the Commission asked that this ordinance be brought back for consideration at the next meeting.

If adopted by the City Commission (probably on March 27, 2017), the staff will likely wait to see if two (2) of the three outstanding grants of zoning approval from 2016, expire after 12 months without use. Those would be for Earthtones, and the upstairs of Fellowship Hall building. Those expire sometime in May, 2017. Once we know the outcome of that (or earlier, if the square footage is forfeited by the owners), the staff will advertise all available square footage and conduct a drawing for the space. As you will see in the new ordinance, the requirements are more specific, and require a dimensioned proposed floor plan, and building inspections along the way to re-opening.

- (1) Serves or allows the consumption of alcoholic beverages on the premises; and
- (2) Provides or permits entertainment later than 11:00 P.M. at least one evening per week.

Saturation level means an establishment floor area of not greater than 30 percent of the gross ground floor area in the designated area.

State means the State of Florida, or its political subdivisions.

Walk-up window means any window, doorway or other opening from a building or structure to the outside of any establishment from which there is the sale or distribution of alcoholic beverages.

Sec. 4-3. – **Citywide**; **regulations.** The following regulations shall apply everywhere in the city, unless and except for the provisions of the designated area, which when applicable, shall supersede these provisions:

(1) No walk-up windows.

The sale of alcoholic beverages shall not be permitted from a walk-up window.

- (2) *Interval distance between establishments, houses of worship, and schools.*
- a. No establishment where alcoholic beverages are sold for consumption on the premises shall be established within 300 feet of any other such establishment, except as elsewhere provided in this chapter. The interval distance requirement specified herein shall be measured in a straight line on the official city map located within the building department between the main entrances of the establishments.
- b. No alcoholic beverages shall be sold within 200 feet of any house of worship, or within 500 feet of the real property that comprises a public or private school offering kindergarten, elementary, middle, or secondary school grades, unless the city commission makes a finding that such use promotes the public health, safety, and welfare of the community, and approves the same by resolution.
- (3) Exemptions for certain establishments: The interval distances in (2) above shall not apply to the operation of the following types of establishments:
- a. A chartered or incorporated club with an 11C license issued by the state; or
- b. A special live performance theater with an 11PA license issued by the state; or

- c. An establishment for the sale of beer only, or beer and wine only with a 1APS, 2 APS, 1COP, or 2COP license issued by the state; or
- d. A hotel or motel with a COP SH license issued by the state; which does not include any package sales; or
- e. A restaurant with a 4COP SRX license issued by the state; or

- (4) Hours of operation regulated.

No person, including a wholesale or retail distributor or vendor covered by any license, shall sell, give, serve or deliver any alcoholic beverage to any person for consumption on or off the premises between the hours of 2:00 a.m. and 7:00 a.m. on any day of the week.

- (5) Zoning approval requirements; revocation.
 - a. Every establishment owner or operator seeking an alcoholic beverage license from the state shall be required to obtain administrative zoning approval on the form required for completion by the Florida Alcoholic Beverage and Tobacco Division for the allowable use, based upon code compliance, including without limitation, location, proper zoning, proof of occupancy (by producing a properly executed or recorded lease, memorandum of lease, deed, contract for sale and purchase, or other acceptable instrument), interval distance, sufficient parking, ingress, and egress, and compliance with the saturation level, where applicable.
 - b. Where zoning approval is being sought by a tenant, both the tenant and the property owner (landlord) shall be a party to the application, and must jointly agree to be bound by the approval.
 - c. An application fee for administrative zoning approval may be established by resolution of the city commission from time to time.
 - d. Zoning approval may be revoked by the city manager for good cause, including violations of this chapter, excessive calls for police service, underage drinking violations, or noise violations. A decision by the city manager to revoke zoning approval shall be appealable to the city commission, which shall conduct a hearing on the appeal as provided elsewhere in the code. Any zoning revocation shall be reported to the Florida division of alcoholic beverages and tobacco.
- (6) Additional regulations for special restaurant (SRX) licensees.

- **4-4. Designated area regulations.** In addition to any applicable provision(s) of Sec. 4-3, above, the following regulations shall apply within the designated area:
- (1) Application of the saturation level.

The gross floor area of establishments which hold valid 1COP, 2COP, 4COP, or 4COP SRX state alcoholic beverage licenses, within the designated area shall not exceed the saturation level adopted by the city commission. The saturation level provision supersedes and replaces the interval distance requirement within the designated area. All establishments on real property within the designated area, open for business on May 1, 2017, and holding a valid alcoholic beverage license issued by the state of Florida are deemed to be "grandfathered" to the extent that they are not required to reapply for the use of the space, even though they fall within the ambit of the saturation level provided for in this section.

- (2) Regulations for certain types of establishments: The following establishments within the designated area shall be exempt from the saturation level regulations:
 - a. Certain 1COP and 2COP license establishments. Notwithstanding the saturation level requirements, an establishment may be granted zoning approval by the city development director to obtain a 1COP or 2COP license from the state, provided the establishment meets the following additional conditions:

ORDINANCE NO. #2351-2017

Amendment to Alcoholic Beverage Code Sec. 4-1 to 4-4

No retail sale of package goods shall be permitted, except as an accessory use. This regulation shall not apply to the sale of package beer and wine only.

(4) No nightclubs.

No establishment in the designated area shall be operated as a nightclub.

- (7) Once saturation level is achieved; drawing lots.
- a. Once the saturation level has been reached by establishments in the designated area, no further establishments, or expansion of existing establishments, shall be permitted, except:
 - i. Upon the sale, transfer or relocation of an establishment, and proper application for zoning approval, the city development director, shall review the proposed location for compliance with the city codes, and make a determination regarding the issuance of zoning approval, prior to approving the payment of the local business tax.
 - ii. In the event that an establishment been sold, transferred, or when the alcoholic beverage license has been revoked or has expired, the owner of the affected real property shall do the following:
 - (a) Lease, or convey the establishment to a new tenant or owner with a valid alcoholic beverage license, and reopen the establishment for business within 90 days, unless such time is extended by the city manager for good cause shown.
 - iii. In the event that an establishment is relocated within the designated area, the owner of the establishment shall do the following:
 - (a) Provide the city with a recorded memorandum of lease, or deed, and a copy of a valid and complete alcoholic beverage license application. Upon proper application and payment of fees by the owner of the establishment, the city development director shall review the proposed location for compliance with the city codes, and make a determination regarding the issuance of zoning approval, prior to approving the payment of the local business tax. Thereafter, the establishment owner shall be opened for business within 90 days following the approval, unless such time is extended by the city manager for good cause shown.
 - iv. If an existing building is being renovated, or a new building built, or a building addition constructed, the owner or operator shall have a complete building permit application filed with the city development department, including the payment of all fees, for the renovation, or construction of the establishment.

Thereafter, such applicant must actively pursue completion of the work, by obtaining and passing progressive building inspections at least every 90 days, and obtain a certificate of occupancy, and be open for business within 12 months of the date the building permit is available for issuance by the city, unless such time is earlier terminated or extended by the city manager for good cause shown.

- v. In the event the owner of a building in which there was a valid establishment fails to comply with the provisions of subsection (7)a.ii, iii, or iv, or in the event that the area allotted is forfeited, the process to permit a new establishment shall be as follows:
- (a) The city development director shall notify the property owner in writing of the forfeiture of the establishment's use for the sale of alcoholic beverages; and
- (b) The city development director shall publically advertise the amount of gross floor area which is available for use as an establishment within the designated area, including a response time of not less than 10 days for interested parties to make application to the city development director for use of the available space; and
- (c) In the event there is more than one response to the advertisement, the city development director shall have the applicants draw lots to determine which applicant(s) shall be permitted to open an establishment.
- (d) No applicant shall be awarded more space than is needed to fit within a designated location. The applicant shall furnish a detailed and dimensioned floor plan drawing of the space; along with a contingent or actual lease or memorandum of lease, or contract for sale and purchase, or a deed in the applicant's name or business name, demonstrating the ability to control and use the space.
- (e) Thereafter, if the applicant satisfies, or demonstrates the ability to satisfy, all other applicable code requirements and conditions as provided in subsection 7.a above, along with the payment of the fee, the city development director shall conduct the administrative zoning review, and upon approval the applicant shall comply with the provisions of subsection 7.a above, regarding the opening of the business as an establishment.
- (f) An owner of real property upon which an establishment has been granted an allotment of area, or is grandfathered by prior use ("Subject Property") may forfeit the area allotted or grandfathered by submitting a writing to that effect, which bears the signature of all the owners of the Subject Property, and which is witnessed by 2 attesting witnesses, and acknowledged by a notary public.

ORDINANCE NO. #2351-2017

Amendment to Alcoholic Beverage Code Sec. 4-1 to 4-4

(8) Express intent regarding development rights.

It is the express intent of the city commission that zoning approval and permitting rights for establishments in the designated area, shall be administered only by the city. There shall be no private sale or transfer of development rights or other distribution of square footage resulting therefrom, except by and through the city. In the event an applicant loses the ability to control the area allotted because of a loss of a lease, or its use other than as an establishment, or any other action or inaction which causes loss of the area allotted by such applicant, the area previously allotted shall be forfeited as a matter of fact and law. Upon such determination, the city development director, shall advise the applicant in writing of the forfeiture of the area lost.

SECTION 2: CONFLICTS REPEALED. All ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of such conflict.

FEC Seawall Discussion

<u>Summary Explanation/Background Information on Agenda Request:</u>

CITY MANAGER'S NOTE: As we understand it, Fortress Holdings (which includes the FEC) is being sold, and we received a call from FEC demanding that we remove the seawall that encroaches on their right of way from the Northpoint property. The cost will be about \$75,000. In addition, we have not been paying the assigned rent on the use of the right of way, pending resolution of this issue. You may recall that we asked them to take ownership of the seawall sometime back, but they have now declined, and want it removed. The back rent is also in the \$75,000 range.
